ABOUT

The Barrabool Hills Brewing Company, based in the Barrabool Hills just outside of Geelong and lead by Master Brewer, Jamie Roydhouse, produces small batch craft beers. Jamie was born and bred in Geelong. He has been experimenting with brewing for most of his life and recently planted a small patch of hops on his farm in the Barrabool Hills overlooking Geelong. Jamie uses Otway water in his beer and unique recipes that he believes are suited to the Australian palate. Barrabool Hills beers are naturally brewed without preservatives.

JAMIE ROYDHOUSE

"The excitement I get out of brewing beer actually started many years ago (around 1970) at Pharmacy College in Melbourne. I stayed at Ridley College, which was a dry theological college and you weren't allowed to have beer or wine there, so I brewed my beer secretly in a cupboard. It was shocking but good fun and the alcohol content was quite high which was certainly the main aim of the exercise! I'd like to think I've matured since then - my main aim now with my brews is to create appealing aromas, complex flavours, freshness and drinkability. That sounds pretty mature, doesn't it?"

"5/6, The best beer I've tried this year."

Julie Hancock, Beer O'Clock, Radio SEN 1116, Feb '15

Panel Pick of the pale ales

"Using a blend of four hops, together with fresh hops grown in the Barrabool Hills, four different barleys and a small amount of wheat to improve head retention and crystal malt for deeper colour and caramel flavour, it was the panel's standout favourite in the pale ale comparative tasting. It has no preservatives, appealing fruity and herbaceous aromas with a palate profile of luscious fruits and spicy citrus following be light bitterness and a refreshing clean finish."

Gail Thomas, The Weekly Review Geelong, Feb '15 (Other ales reviewed: Little Creatures Pale, White Rabbit Pale, Southern Bay Brewing Southern Ocean and Forrest Brewery Pale).

'Surf Coast Blonde' Ale

Crisp and refreshing, made with Australian malted barley. Made from four malts: Pilsener, Munich, Crystal and malted wheat. The slightly sweet taste of the malt is offset by the bitterness of the hops, finishing long and fresh. Three hop types are used (Cascade, Hallertauer and Northern Brewer) giving tropical fruits and citrus flavours, and a smooth bitterness.

'Ocean Road' Pale Ale

Made from the freshest natural ingredients - just water, malt, hops and yeast. Flavoursome with appealing fruity and herbaceous aromas. Light on bitterness, with hints of fruits and spicy citrus, it has a refreshing clean finish.

IPA

A classic, liberally hopped India Pale Ale with spicy aromas and flavours, balanced bitterness, and a lingering fresh finish. Australian Galaxy hops (passionfruit and peach flavours), plus a combination of three other exclusive hop varieties produce a beer with vibrant citrus and pine notes. Bold and menacingly delicious.

ROBE TOWN BREWERY

slow-brewed • hand-made • all-natural • craft beer

ABOUT

Robe Town Brewery is a small artisan brewery hand-crafting ales and malt beverages on a unique wood-fired brewhouse. Founded by Maris Biezaitis and his wife, Kristi, Maris makes use of several historical and traditional brewing techniques, which add a unique character to the brewery's slow-brewed and full-flavour recipes.

Making real craft beer takes time: from gathering sustainable firewood on local farms, to sealing the wood-fire stove and kettle the old-school way with rolled strips of rye dough; from chopping wood into pieces just the right size, to weaving a filter-bed of local straw for the oak-barrel mash tuns; from the vigorous boil of all-natural ingredients caramelising in the kettle, to the subtle nuances of shallow, open fermentation; from hand-bottling and sealing every single bottle produced, to weeks and months of secondary fermentation and bottle-conditioning. It's a labour of love that requires patience and dedication. Maris and Kristi focus this dedication towards producing the best quality products, using as many local ingredients as possible in a sustainable manner.

Robe Town Brewery

"(...). It was George Lord Senior - variously referred to as blacksmith, publican, brewer, farmer, pioneer, colonialist and the "oldest inhabitant of Robe" - who first began commercially brewing a local beer (...). Maris is reviving Lord's vision for a local brew, by bundling together all that's good in the world - hops, malt, wood fire, creativity and small scale production - to present a first-rate line-up of compelling beers. (...) Call it magic, call it locality - call it what you will - but even something as simple as a steak tastes different when cooked on a wood-fired stovetop, as opposed to an electric one. (...)." *Sally Wilson, Alquimie, 'The Australian Table', Edition Six '15*

Pale Ale

"(...) like looking into a honey jar. It's a deep, thirst-quencher of an ale with a distinctive hops kick to finish, brought on by a technique using late hop additions. Flowers appear when you raise up a glass and smell it, while the brew pours with a reassuring, yet non-intrusive, slathering of froth." *Sally Wilson, Alquimie, 'The Australian Table', Edition Six '15*

Amber Ale

"(...) bursting at the seams with chocolate and caramel on the nose. It has a friendly sweetness and liveliness in the mouth, that encourages you to search out the full range of tastes on offer. It's like caramelized onions to look at but more indulgent, like eating good chocolate, to taste." *Sally Wilson, Alquimie, 'The Australian Table', Edition Six '15*

Solstice Baltic Porter

"A suitably old school-looking beer from a brewery using the most old-school of methods, this cola-coloured Baltic porter pours with a low carbonation, emitting woody, earthy aromas that mingle with a rich, chocolatey sweetness. (...)." *James Smith, The Great Australian Beer Guide '17*

THE BULL

ABOUT

Angus The Bull is an innovative wine created as an ideal accompaniment to prime beef. Each year the most promising parcels are hand selected from premium Cabernet Sauvignon and Merlot grapes sourced from outstanding sites across Central Victoria and blended to create the signature Angus The Bull style.

HAMISH MACGOWAN

Angus the Bull was a simple idea that just wouldn't go away. It soon became an obsession and then when it reached the point where it occupied all his waking moments, Hamish finally decided 'enough was enough' and in 2003 he established the Aberdeen Wine Company to turn this unique concept into a reality. With all his energy now focused entirely on creating a new brand positioned to provide the ideal vinous accompaniment to prime beef, he chose to work exclusively with Cabernet Sauvignon initially and set about locating the most promising parcels. Confident he had achieved the required wine style and developed a very deliberate marketing strategy backed up with some smart packaging, Hamish launched his debut 2002 vintage of 'The Bull' and hasn't looked back since and has added the 'Wee Angus' Cabernet Merlot to the range.

"... both hearty and satisfying, and with a steak it would perform admirably."

"I've been a keen follower of this wine since its inception. Consistency is its mantra but it always tells something of the season, and of the market. This is a fairly straight-forward offering of berries, dust and a sprinkling of chocolate. It gets up into third gear but never really hits fourth, and certainly not overdrive. Still, the block of flavour to the mid-palate is both hearty and satisfying, and with a steak it would perform admirably."

Campbell Mattinson, The Wine Front, July '16

2013 Angus The Bull Cabernet Sauvignon

"4/5 stars (a cut above), Value: smart buying, Best with: Great rump steak"

"Dark fruited and densely packed with all the variety's underlying power, this has a lot of muscle built in, chewy tannins and heaps of blackberry fruit characters and black olive savoury offsetting as well, and even with all that going on there's quite a nice little bit of fresh fruit bite at the final whistle. Open this with a good steak and you'll get the perfect anti-frost combination."

Tony Love, www.taste.com.au, June '15

"91 points"

"This is the second release of Angus The Bull cabernet since it moved from being a multiregional blend to being sourced from a single region: Central Victoria. The wine remains its consistent, reliable, dependable self. It delivers a clean, hearty serve of dark, berried flavour, its more subtle tones of leather, earth and gum leaf but minor players to that sure, berried core. This is ready to drink now but it won't fall over in a hurry; it has the balance to sail on for quite a few years."

Campbell Mattinson, The Wine Front, May '15

"(...) nicely full, a medium-bodied wine that works beautifully with whatever you care to put on the grill."

"The style is meant from the ground up to accompany barbecued meat, particularly beef. The tannins are soft, the bouquet is a combination of oak flavours (vanilla, caramel) and herbal aromas from the grapes. The palate is nicely full, a medium-bodied wine that works beautifully with whatever you care to put on the grill. It has a fair amount of mint in it, and I would think it would work equally well with lamb or beef. If there's nothing you like more than a quiet evening in, a good steak with maybe a baked potato and salad, this is a wine you should try."

James Romanow, The Star Phoenix (Canada), Jan '16

ARCHER

ABOUT

The ARCHER project was put together by renowned Australian wine writer, Nick Stock, in 2004. Having made Heathcote shiraz with his brother under their TWOFOLD label for a couple of years and tasted nigh on every wine being made in the region, he felt there was the potential to deliver better quality and better value Heathcote shiraz. The first ARCHER was released from the 2005 vintage.

Archer Shiraz

The 2013 season was ideal in Heathcote with lower yields across all clones of Shiraz and grapes harvested in perfect condition. After partial destemming, each parcel was fermented with a high proportion of whole bunches (approx 75%) utilising ambient yeasts. The resulting components were then aged in French oak puncheons (30% new) for 10 months. The components were then racked, blended together and returned to barrel for a further 6 months. This wine wine has received no additions other than a small amount of sulphur at bottling. 13.5% alcohol.

This is a wine that marries the inherently fleshy and rich character of Heathcote Shiraz with fragrance and perfume. It's bursting with aromas of blackberry, blueberry and dark cherry as well as chocolate, musky perfume and attractive oak spice. The palate has lithe and juicy texture, really full and round, the core flavours of red cherry, blueberry and dark plum fruits are wrapped in fine long and smooth tannins. Finishes with tangy plum stone freshness.

Archer 'Eagle Eye' Shiraz

A single parcel fermented on skins for 36 days in two small open fermenters with no de-stemming or additions. Smells of complex musk and red fruit fragrance, some spice and layered black fruits, hints of minerals and wild berries. The palate is all about finesse and elegance with deceptive concentration, length and power – tannins are layered in soft sheeted formation.

BATTLE
of
BOSWORTH
McLAREN VALE

* NEW WINERY

ABOUT

Battle of Bosworth was established in 2001 by Joch Bosworth and Louise Hemsley-Smith. The wines take their name from the original Battle of Bosworth, fought on Bosworth Field, Leicestershire, England in 1485. The roots of the Bosworth family's battle were planted in the early 1850's with their first vineyard in McLaren Vale. The modern day Battle of Bosworth saw the conversion of 'Edgehill' vineyard to organic viticulture by Joch Bosworth in 1995.

Joch and Louise have been growing their grapes organically for 21 years this year. Joch's vision saw him convert 24 acres of vines to organic viticulture in 1995. In 1999 they gained their organic certification from ACO P/L (Australian Certified Organic). This process represented a big leap of faith in many regards, not least because in those days 'organic' was not the buzzword it is today. Their vineyards were the first in McLaren Vale to achieve organic certification, too, and they were the very first winery to release an organic wine. Hats off, Joch.

2012 'White Boar' Shiraz Cabernet Sauvignon

"93 points" "A vine dried version of the shiraz cabernet blend that has a distinctive leaf, herb and liquorice nose; the cabernet really shines bright. On the palate it's shiraz that takes centre stage, filling the mouth with plum and summer berry flavors, tannins hold long and true, the balance is superb." *Nick Stock, JamesSuckling.com, Feb '16*

2014 Shiraz

"93 points, Top 100" "Outstanding producer from McLaren Vale where they do things as naturally as possible with organically grown fruit. This is a perfect example of capturing the essence of the vineyard. Dusty and savoury with a real sense of place." *Ray Jordan, Top100, '16*

2015 Chardonnay

"91 points + Special Value" "It does it everything it can to produce a flavoursome-but-fine white wine. There's a touch of flint to the hit of tinned pineapple; there are oatmeal characters threaded through yellow stone fruit. In the end, truth is, it's quite delicious." *Halliday's Wine Companion website, Aug '16*

"92 points" "A bright, fresh young release of the Graciano grape variety from organic-grown vineyard. It's textbook crunchy in texture and rife with amaro and sweet red cherry scents and flavours. It sits well in the palate, shows some pleasingly powdery-bitter tannins and finishes juicy and brisk. Great drinking. Give it a light chill for fun." *Mike Bennie, WBM, June '16*

2016 'Puritan' Shiraz

"Top 100" "No added preservatives in this wet-behind-the-ears shiraz from the 2016 vintage - yep, it's from this year. Fruity and delicious, with soft plum and slightly earthy flavours. Drink it now!" *Ray Jordan, Top100, '16*

ABOUT

Langhorne Creek is renowned for its full bodied red wines and well balanced, fruit driven Chardonnay. Greg Follett of Lake Breeze Wines created Bullant, a great range of approachable, drink-now wines, using fruit from the Follett family vineyard.

The playful label was inspired by the bullants which are known to harass vineyard workers. As is the case with the Lake Breeze wines, the Bullant range over-delivers, possessing vibrant fruit flavours with palate richness and offer great value.

THE FOLLETT FAMILY

William Hill, the great, great, great grandfather of current Winemaker, Greg Follett, first took up land in Langhorne Creek in the 1850s. His grand-daughter later married Arthur John Follett, who established the first vineyards on the property during the 1880s. Today, Lake Breeze is still very much a family operation; Ken and Marlene Follett are proprietors, their son Greg is winemaker, Greg's brother Roger is General Manager, other brother Tim is Viticulturist, Greg's wife Robyn looks after Marketing, Tim's wife Dionne looks after the finances, and Kate Cooper, the Follett boys' niece, who always has a warm welcome for visitors in Cellar Door, waves the flag for the next generation of the Lake Breeze family.

BRAND'S LAIRA

COONAWARRA

* NEW WINERY *

ABOUT

Brand's Laira is an iconic winery, nestled in the heart of the famed 'terra rossa' strip of the Coonawarra region in South Australia. Steeped in heritage with a wealth of old vine vineyards dating back to 1893, Brand's Laira offers a range of opulent and richly flavoured premium wines from this distinct region.

With a winemaking philosophy that focuses on sourcing the best possible fruit, the Brand's Laira wines are classically Coonawarra in nature, combining the powerful influence of the rich red soils of the 'terra rossa' with skilled winemaking to create world renowned wines. Each range exhibits a shared standard of excellence and a distinctly Coonawarra style.

Casella Family Brands are now the proud custodians of this iconic Australian winery, and are dedicated to its long-term commitment to producing world class wines.

The Darley Arabian (pictured on the front label), purchased by Thomas Darley in Aleppo, Syria and shipped back to England, began stud duties in 1704. Ninety-five percent of all thoroughbred racehorses today trace back to this one stallion. Like only the best thoroughbred families, we believe the wines of Darley will stand the test of time.

ABOUT

Vincent Géré was the Chief Winemaker of Blue Pyrenees Estate for over 12 years and is director of the Cognacs and Estates of Rémy Martin. His father Henri Gere was the Cellarmaster of several Chateaux in Medoc, Pontet-Canet, Malescasse and Lafon Rochet. Together they planned Dellys, one vineyard in Australia, one vineyard in France. Dellys has a double history. Dellys was named after the 'Dallys' cottage, the old coach stop during the gold rush near the Gere's vineyards in Australia. Coincidentally, 'Dellys' was also the name of the Garnier family property in the ancient wine region of Kabylie.

Dellys Wines

"French winemaker Vincent Gere's arrival in the Pyrenees marked the extension of the vineyards seeking out deep gravelly soils at higher altitude."

Alan Hill, Vogue

"(...). A toast of praise for careful planning and expertise."

Jeremy Oliver, Australian Wine Guide

"(...). This central Victorian has rare elegance and poise. (...)."

AUSTRALIAN VINEYARD

Dellys Australian property in Avoca is very near Blue Pyrenees Estate, on the slopes towards the south east. Only the very deep soils allow the root system of the vines to develop and extract the rare nutrients. The red clay, metamorphised in red stones is terrific for the Shiraz of course but also for Cabernet Sauvignon.

FRENCH VINEYARD

The Limestone of Petite Champagne in Cognac is very deep. The vineyard is on a gentle slope facing south, called La Côte Blanche. The hill is made of chalk layered in limestone of several tens of metres deep. The chalk acts as a sponge, absorbing the humidity when raining and releasing it in case of drought. Exposed fully to the south, La Côte Blanche enjoys one of the best climates at the heart of the Cognac region, a perfect terroir for chardonnay which can express its elegance and intense mineral character.

'La Côte Blanche' Chardonnay (France)

Elegant with an intense minerality. Citrus aromas and flavours, fresh spices and 'sauvignon hints'; powerful and refined.

'The Redstone' Cabernet (Australia)

The strict barrel selection is reflected in lovely structure: full soft tannins with a touch of the regional character - the mintiness sits just below the fruitiness and delivers elegance and length.

'La Petite Syrah' (Australia)

Young and vibrant shiraz aged in French oak to discreetly soften tannins and allow the Pyrenees fruit to come to the fore. The vineyard is low yielding at 1.8 tonne per acre, everything in the vineyard is completed at the highest level with select bunch thinning, picking by hand, and essentially dry grown. The full tonnage is harvested with selected parcels being put into a varied oak regime to mature. The final blend is a selection of individual barrels. Generous value for money, an excellent choice for Victorian wine by the glass. A traditional French approach to respect the sunbathed Australian fruit.

'The Treetop' Shiraz (Australia)

The flagship wine selection from Vincent Géré Vineyards. Intense Pyrenees characters of redcurrant and pepper spices provide a rich and lovely wine, powerful yet refined. Full bodied and textural with a long finish.

2016 Pinot Noir Rosé

Trophy - Best Rosé *Royal Melbourne Wine Awards '16*

2013 'Margaret River' Shiraz

"95 points" "At the heartier end of the regional shiraz style and at the upper end of the quality scale too. This doesn't pull any punches. It's beefy with blackberry, licorice, dust and chicory notes and strings flavour-loaded tannin out through the finish. A bright but sturdy wine. The price is very attractive."
Campbell Mattinson, Halliday's Wine Companion '17

2013 Cabernet Sauvignon Merlot

"94 points" "Firm but fleshy. You can tuck into it now or tuck it away for 'ron. Blackcurrant, bay leaves, mulberry and undergrowthy/tobacco-like notes. It builds a good head of steam without overdoing it, and then finishes the job admirably through the finish. A picture of composure."
Campbell Mattinson, Halliday's Wine Companion '16

"93 points" "A Bordeaux blend with structure and stature. Full and balanced with super silky tannins. Drink now. Screw cap." *Nick Stock, JamesSuckling.com, Feb '16*

2016 Semillon Sauvignon Blanc

"90 points" "The signature Margaret River white blend, done well. It serves up a juicy, fruity white wine and then adds a bit extra. This is where a blend of varieties comes into its element. Tropical fruits, lemongrass, gravel and spice. Maybe even some gunsmoke. It has texture, flavour and nuance without ever threatening to scare any horses. Will suit all comers." *Campbell Mattinson, The Wine Front, Sept '16*

Flametree Wines

"Flametree is a fine stage for experienced Margaret River winemaker Cliff Royle to strut his stuff sourcing parcels from a number of different sub-regions and varieties. While Flametree focused largely on Margaret River, it also sources shiraz from Frankland River. Royle's style is generously flavoured but laid-back and polished, so Flametree typically delivers finesse and elegance and with that, longevity. The sub-regional selection of Wallcliffe chardonnay, the SRS, is a perfect example." *Jeremy Oliver, Australian Wine Annual '15*

2015 'SRS Wallcliffe' Chardonnay

Gold Medal, 96 points *Royal Melbourne Wine Show '16*

"97 points" "Cliff Royle continues to raise the bar with his chardonnay, especially at the super premium end with this marvellous wine. Toasty oak infused into the white peach and grapefruit characters. A little struck match and a flinty gun-metal character on the nose. Extraordinary length and persistence through the palate." *Ray Jordan, The West Weekend, Oct '16*

"96 points, 5 stars" "Medium straw colour with a marvellously mineral, rocky, struck-flinty bouquet which leans heavily towards complex sulfides, but is also powered along by grapefruit and other citrus aromas. The wine is tightly focused, intense and powerful in the mouth. It's lean and nervy, typical of this maker's style, and if any Australian chardonnay can be said to be mineral, this can. Lots of artifact but also masses of fruit. Beautifully focused, balanced and long-lasting on the finish." *Huon Hooke, The Real Review, Oct '16*

"95 points, Margaret River chardonnay at its elegant best..." "Gingin clone, hand-picked and whole bunch-pressed for wild yeast barrel ferment (100% new French oak); matured for 12 months. Margaret River chardonnay at its elegant best, with white peach, cashew and grapefruit standing clear and proud, the barrel ferment inputs there, but relatively subtle." *Halliday's Wine Companion '17*

"95 points" "Top-flight chardonnay from the cool Wallcliffe sub-region of Margaret River. Made at the hand of Cliff Royle. The flint, the funk, the flesh, the flavour. This serves it all up, and in high style. Grapefruit comes smoothed over with creamy cashew; stonefruit is able with matchstick-y, sulphur-splashed funk. It's in-your-face, in a good way. Long fingers of flavour distinguish the finish." *Campbell Mattinson, The Wine Front, Sept '16*

2014 'SRS Karridale' Sauvignon Blanc

"95 points, Special Value, Best of the Best by Variety" "Free-run juice, wild-fermented in stainless steel and French oak. This approach works well in building mouthfeel without taking the edge off the passionfruit, guava and grapefruit flavours of the totally seductive palate." *Halliday's Wine Companion '16*

"95 points" "S.R.S. Stands for sub-regional series and in this case it's cool Karridale. This is a fabulous sauvignon blanc because it's textural, creamy, savoury and moreish. Hints of preserved lemon, pine needles and flinty notes." *Jane Faulkner, Halliday Magazine, Oct/Nov '15*

"2nd place, Top 100 Wines of the Year" "Outstanding example of taking sauvignon blanc to another plain of complexity and interest (...)." *Ray Jordan, Top 100 Wines of '15*

2013 'SRS Wilyabrup' Cabernet Sauvignon

"95 points" "(...). Such a great wine region. Dark chocolate, violets, bramble fruit, baking spices and a subtle aniseed lift. (...)." *Gary Walsh, The Wine Front, August '15*

"94 points" "This has beautiful freshness and purity of mulberry fruit aromas on the nose with sweet pastry and spices; aromatic and fragrant. The palate has rich and fleshy blackberry and mulberry fruit, really fleshy. Vibrant and deep, fresh tannins roll through the finish." *Nick Stock, JamesSuckling.com, Feb '16*

EDEN HALL WINES

ESTATE GROWN • FAMILY OWNED

* NEW WINERY *

ABOUT

Eden Hall Wines is a family owned boutique winery established in 1997 by David and Mardi Hall in the high country of the beautiful Eden Valley. A total of 33 hectares is planted to red varieties consisting of Shiraz, Cabernet Sauvignon, Cabernet Franc and Merlot and white varieties including Riesling, Viognier and more recently Grüner Veltliner.

The wines are made from estate grown fruit by two of the best winemakers in the Barossa and they were chosen for their particular strengths. Christa Deans, who is the regarded as the 'Queen of Eden Valley Riesling', has produced the white wines since 2004 and Kym Teusner, one of the 'Barons of the Barossa', has been entrusted to make the red wines since 2007.

The Eden Hall team embrace the philosophy of producing high quality wine grapes using eco-friendly, sustainable land management practices that ensure both long-term landscape and viticultural viability.

HELEN'S HILL

SINGLE VINEYARD YARRA VALLEY

ABOUT

The Helen's Hill wine range holds the spirit of those who have gone before us. It celebrates passion, persistence and the genuine connection between people and land. Each wine is hand crafted and under goes an arduous selection process before it makes it into a Helen's Hill bottle. As we know, great wine is made in the vineyard and as such only small select parcels of fruit from certain rows of our single vineyard site are hand picked at harvest. Each wine is fermented in select French oak barrels. Prior to bottling, each barrel is tasted and ranked with only the best barrels selected for the Helen's Hill range.

SCOTT MCCARTHY

From the moment Winemaker Scott McCarthy was old enough to walk, his father had him in the family vineyard picking grapes. Scott joined Yalumba and after spending 10 years working in the Barossa Valley, he spent a number of years in areas as diverse as the USA's Napa Valley, the Loire Valley and Languedoc regions in France, and Marlborough, in New Zealand. He came to realise that making wines from a cool climate region was where his true winemaking passion lay, and as a result he settled back in Australia at one of the best cool climate regions in the world, the Yarra Valley.

"96 points, Special Value + Exceptional" "MV6 clone, hand-picked (Feb 20) and sorted, matured 14 months in French barriques (40% new). Bright, clear crimson; highly expressive bouquet with gently spiced red fruit and flower aromas; superfine, elegant, long, red cherry to the fore; has made light work of the new oak, the finish lingering and fresh. Drink to 2023."

2015 'Breachley Block' Chardonnay

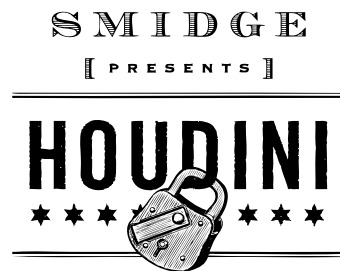

"95 points, Special Value + Exceptional" "Predominantly from the best two clones (prior to the Dijon clone) P58 and Mendoza. Has the hallmark length of flavour on the palate (and aftertaste) firmly stamped on it, but not at the expense of complexity. A classic assemblage of white peach, grapefruit and oak-derived cashew are tightly woven together with the aid of flinty acidity on the finish." *Halliday Wine Companion '17*

2013 'Hill Top' Syrah

"95 points" "Deep, verging on inky, colour; an intense wine in every respect, taking no prisoners and a nigh-on perfect example of how much power cool-grown shiraz can generate with its moderate alcohol. And while tannins are certainly present, it's the bright blue and black fruits and attendant acidity that provide the horse power, not oak or tannin extract. The journey will be a long one, but very rewarding."

Halliday Magazine, Dec'15/Jan'16

ABOUT

Smidge Wines is the private label of one of Australia's most exciting wine making talents, Matt Wenk. Matt and his wife Trish decided to name their venture Smidge to celebrate their passion for making wine in small batches. The 'Houdini' range continues the Smidge portfolio with an attractively priced entry level series.

MATT WENK

While he is best known for his role as Chief Winemaker at the highly acclaimed Two Hands, Smidge Wines continue to show Matt's talent for finding outstanding vineyards that consistently deliver remarkable fruit, and transforming them to unique, small volume, world class wines. Matt has become internationally celebrated in winemaking, with a globally-unmatched achievement of 10 consecutive spots in Wine Spectator's Top 100, including five positions in the top 11 and a number two position.

You could argue that it's more gris than grigio but it remains energetic and, more importantly, tasty."

JACK RABBIT
BELLARINE PENINSULA

CELLAR DOOR JR VINEYARD JR CUISINE

ABOUT

Jack Rabbit Vineyard Winemaker, Nyall Condon, has a long and exceptional history of excellence in all aspects of vineyard establishment, winery installation and management and of course, winemaking. In 2010, Nyall commissioned the state-of-the-art 200 tonne Leura Park Estate winery where he made Leura Park's trophy winning wines alongside Chief Winemaker, Darren Burke. Nyall also makes the Bellarine Peninsula's highly awarded Flying Brick Ciders.

Nyall's approach to winemaking is very much about minimal intervention and retaining the natural characters of each varietal - the fruit is the hero. Creative and thoughtful use of oak is another aspect of Nyall's winemaking mantra - each year different - to best suit the 'temperament' and requirements of the varietal and the varying nature of each vintage. "I see Jack Rabbit wines being 'honest' wines - clean, fresh, sophisticated - complex without being too complicated." "The attraction of cool climate wines for me is the fact that they are slow ripening which facilitates maximum intensity from nose to finish. Cool climate wines also tend to inherently have seamless length and velvety tannins, particularly in the reds."

ABOUT

Maria and Johann Christian Hahn arrived in the Barossa Valley in 1845, and like many early Barossa settlers were of Silesian-German descent. Early settlers staked out the best of the valley's farmland, and Maria and Johann chose a premium block for their vineyard.

The JJ Hahn brand was created in 1997 as a joint venture between sixth generation Hahn custodians, James and Jacqui Hahn, and Rolf Binder. Today Rolf is co-owner and has retained the management of the vineyard and the wine making. Wines are only made during the best vintages, giving the JJ Hahn label a well-deserved reputation for quality as well as excellent value.

"95 points, Special Value"

"Matured in American and French oak. Full crimson-purple; there is a juicy freshness at the heart of the wine, the flavours of the medium-bodied palate more or less equally divided between red and black fruits; silky tannins and fully integrated oak provide a confident finish."

Halliday Wine Companion '16

2012 'Reginald' Shiraz Cabernet

"90 points"

"Made by Rolf Binder from fruit grown by the Hahn family, one of the oldest landholding families in the Barossa. Smells of a freshly opened packet of black tea, mint, mixed berries and a whiff of cedar oak. Medium bodied, gentle tannin – almost silky – with salt beef mixing it up with berries. Classic styling, not too big or heavy, and also has fair length. Not bad at all!"

ABOUT

The Kay Brothers McLaren Vale Amery Vineyards grace the rolling foothills of the Southern Mt. Lofty Ranges. Established in 1890 by Australian born brothers, Herbert and Frederick Kay, the Heritage listed Kays Amery Winery celebrated its first grape crush in 1895 and is the oldest McLaren Vale winery still in founding family hands. Today, the family continues the winemaking traditions in the heritage listed cellars.

Kay Brothers utilise a traditional method of pressing out their wines. Their Celestial & Coq basket press was installed and ready for use in the 1928 vintage to replace older hydraulic and manual screw presses that had proved unreliable. For their winemaker, it is still the preferred of their two presses. The basket press reflects Kay Brothers traditional winemaking philosophy. The grapes are pressed gently, resulting in softer tannins and cleaner juice - as the juice is filtered through the mass of pulp while draining through the basket. Whilst this process is labour intensive and time consuming, Kay Brothers are confident it translates to superior quality.

2015 'Griffon's Key' Reserve Grenache

"...a new benchmark in McLaren Vale grenache..."

"A brand new flagship for Kay, to the tune of a miniscule 150 dozen bottles, and a new benchmark in McLaren Vale grenache. Mineral tannin structure is rooted deep in the terroir of the Kay's site, building wonderfully textured mouthfeel that supports a savoury, restrained style of bright red fruit focus, exotic spice and rosebud fragrance." *Tyson Stelzer, Gourmet Traveller Wine, Oct/Nov '16*

2014 'Basket Pressed' Shiraz

"94 points, Best value wines of the monthly top 100"

"An incredibly dense and luxuriant palate grabs all the attention; how this has been achieved with 14% alcohol is anyone's guess, but I'm not disposed to argue, because the outcome is a totally serendipitous, supple, full-bodied shiraz replete with dark Swiss chocolate wrapped around luscious black fruits." *Halliday Wine Companion '16*

NV '125th Anniversary' Sparkling Shiraz

"94 points, One of the Runners-Up for Sparkling Red of the Year 2016"

"A grand entry into the world of sparkling shiraz for this great historic estate, this is a cuvée packed with all the depth and intrigue of Kay's legendary still reds. It's built primarily around 2008 shiraz aged in old oak for more than five years and tweaked with touches of merlot, cabernet and grenache, subtly dosed with Kay's Old Tawny. Packed with wonderful layers of black fruits, liquorice and dark chocolate, it's scaffolded in well-handled, finely structured tannins that bring great promise in the cellar." *Tyson Stelzer, Australian Sparkling Wine Guide '16*

ABOUT

2015 celebrates Kingston Estate's 50 years as vigneron and 30 years as winemakers. As a family winery with humble beginnings, they are proud to see their wines enjoyed by people all over the world. The Moularadellis family began as grape growers in 1965 and when Bill Moularadellis completed his oenology degree in 1985, Kingston Estate Wines was born.

The Kingston Estate winemaking philosophy is to source the best wine parcels from the best South Australian regions to deliver true varietal flavour, rather than blending varieties. Throughout both ranges this could entail the selection of one or more regions to ensure the best possible example for that variety and its regional characteristics for that vintage.

LECONFIELD

ABOUT

Leconfield Coonawarra was established by noted oenologist, Sydney Hamilton, in the southern half of the Coonawarra strip, continuing the Hamilton family wine industry heritage which dates from 1837.

The Leconfield Coonawarra vineyard occupies some of the area's richest terra rossa soil over limestone, a composition for which Coonawarra is famous. During his winemaking career spanning nearly 60 years, Sydney was highly regarded for his contribution to the industry. In 1981, with 65 vintages under his belt, Sydney decided to finally retire and Leconfield was acquired by his nephew, Dr Richard Hamilton. Richard, fifth generation wine grower, had already been inspired by his viticulturist father Burton, to establish his own winery and vineyards at McLaren Vale in 1972.

Since acquiring Leconfield Coonawarra from his uncle Sydney, Richard and his wife Jette have built up their vineyard holdings, some of which are in excess of 100 years old. These holdings are comprised not only of Burton's McLaren Vale vineyards but also his Uncle Sydney's winery and vineyards in Coonawarra. Leconfield Cabernet Sauvignon remains the flagship wine and today Leconfield's winemaking direction is driven by highly regarded winemaker, Paul Gordon.

"McLaren Vale shiraz matured in all-French oak, only 21% of it new. It's in a pretty decent groove. It's not-too-heavy, not-too-light. It tastes of plums and black cherries with rubs of dark and milk chocolate, perhaps some creamy vanilla, perhaps some cola. Sweet but firm. Satiny. Simple but oh-so-easy to like. Only issue is whether or not the tannin strikes a little too boldly on the finish."

A five 'Gold Star' award indicates the wine is among the great wines of the world, and a worthy examples of, and fit to rank alongside, the best of the variety or blend from anywhere in the world. These wines exhibit greatness sufficient to include them as top wines on the world's stage.

2014 Merlot

"10 top regional picks"

"Often the forgotten partner of Coonawarra's red grape output, merlot is taken very seriously by Leconfield winemaker, Paul Gordon. Obtaining great dark concentration without overt ripeness, an elegant palate of cassis and redcurrant with a pleasant herbaceous edge is kept long and lean with fine, silky tannins."

"This Margaret River white just keeps on delivering. The semillon used here is grown on vines planted in 1983. If you're looking for a frisky, well-flavoured white wine then this should be blinking bright on your radar. It has texture and substance and flow, which is another way of saying that it just gets the style exactly right. It's neither challenging nor dumbed down; it doesn't try to be a smart-arse wine, it just tries to be a good drink, and succeeds admirably."

LIGHTFOOT & SONS

PREMIUM GIPPSLAND WINE

ABOUT

Brothers Rob and Tom Lightfoot are the second generation to manage their family's vineyard in the remote Gippsland Lakes region where they specialise in Pinot Noir, Chardonnay and Shiraz. Located between the Dividing Range and Bass Strait, the region is Victoria's most easterly viticultural area. The heart and soul of the family business is their Myrtle Point Vineyard positioned high on an exposed plateau of Terra Rosa soil above a limestone bluff.

ALASTAIR BUTT + TOM LIGHTFOOT

Alastair brings more than 25 years of winemaking experience to the winery, working previously at Seville Estate in the Yarra Valley and Brokenwood in the Hunter Valley. Tom worked a number of vintages in wineries throughout Australia and the USA (making Pinot Noir in Oregon) after completing a Viticultural Science and Wine Production degree. Tom now manages the Myrtle Point vineyard and assists Alastair in winemaking.

2015 'Myrtle Point' Chardonnay

"95 points, Special Value + Outstanding" "Pale mid-straw; citrus, spice and white peach are in play with a background of complexity derived from barrel fermentation and partial mlf. The palate is beautifully poised with driving mineral acids and layers of texture and flavour. It is powerful, long and impressive."

Halliday Wine Companion '17

"95 points" "From the Gippsland Lakes district, this wine blew me away. Firstly, it smells great. Peaches, green melon, white flower petals and struck match minerality are layered, complex and seamless. Smooth and tasty, there's a mineral-laced line of acid that adds elegance and focus to the weight and intensity of the flavours."

Ben Thomas, The Weekly Review Melbourne, July '16

2015 'Myrtle Point' Pinot Noir

"95 points, Special Value + Outstanding" "MV6 clone picked over 2 weeks, 20% of the total crush was whole bunches, but individual batches ranged from zero to 75%, the batches using wild and cultured yeast, after fermentation pressed direct to French oak (15% new). An elegant mid-weight pinot, primarily with red fruits providing the flavour, supported by fine-grained tannins and integrated oak. It's clear the Gippsland Lakes enjoyed the same ideal conditions as those regions further west in Vic."

Halliday Wine Companion '17

"You could confuse it with a Volnay in a blind tasting but you wouldn't get a Burgundy of this quality under \$80 a bottle." "I know I haven't had much Pinot on offer lately, but I have now tasted one to rave about "Lightfoot and Sons Myrtle 2015". Many of my clients have had previous vintages, but this is even better. A real winner and punching well above its weight. Lightfoot and Sons is from Gippsland in Victoria. The same region Bass Phillip, and you can see the regional similarities in these wines, although the Lightfoot is way less stemmy and more approachable. This is a beautiful, complex, savoury Pinot in the style of the By Farr wines without the price tag. You could confuse it with a Volnay in a blind tasting but you wouldn't get a Burgundy of this quality under \$80 a bottle. It is not a big Central Otago fruit bomb. Please try some, you will thank me for this. (...)"

MR. MICK

ABOUT

Mr Mick is named after K.H. (Mr Mick) Knappstein, a legend within the Australian winemaking industry. One of Mr Mick's passions in life was to make wines for everyone to enjoy, a tradition his last apprentice, local winemaker Tim Adams continues in his name. Today, Tim and his wife, Pam, are proud custodians of this landmark property, the former Leasingham winery.

TIM ADAMS

Tim Adams' formative years were spent in South Australia's Clare Valley. As a Clare lad growing up among pioneering grape growers and winemakers, it was no surprise that in his final year of school Tim eschewed studying in favour of writing to Clare Valley wineries seeking employment. The recipient of one such letter was Mr Mick Knappstein at the Stanley Wine Company, which led to Tim securing a position as winery cellar hand in 1975. A fortuitous beginning for Tim, who found himself mentored by a revered pioneer of the modern Australian wine industry. The first release of wines under Tim Adams' own label was in September 1986, by which time Tim had left the Stanley Wine Company. 'Mr Mick' continued to encourage the young winemaker, embracing Tim as his last apprentice, a relationship that continued until his passing in 1997.

"Young Red Top Drops, Terrific value (...)" "Terrific value, this: really pretty purple wine with fragrant sweet black fruit, medium-bodied roundness and some gamy tannin grunt. Very quaffable - especially if there's a good wood-fired Margherita pizza on the table, too." *Max Allen, Gourmet Traveller, Young Red Top Drops, Jan '16*

"...plush..." "(...) with its plush meld of cherries, strawberries and raspberries kept firmly in check by mellow tannins that ensure a lovely clean and dry finish. For maximum enjoyment, chill before serving."

David Sly, SA Life, Oct '16

"Top 10 wines for the wine bluffer" "Plush, yes, that's the word here, a silkiness or the feel of velvet on the tongue. Mr Mick brings forth a youthful, cherry-bright, spice-infused plushness to the Italian grape that is truly moreish. Back story: Mr Mick is an homage to the late, great Leasingham winemaker Mick Knappstein." *Jeni Port, The Age, Epicure, Jan '16*

2014 Tempranillo

"It's impeccably well made and balanced." "The Mr Mick wines are all about accessible, affordable drinking. This is just a good drink. It's clean, it's fruit driven, it has a bit of friskiness, it has just enough depth. It tastes of black cherries and anise, essentially, though there are flecks of orange rind and dry gum leaves. It's impeccably well made and balanced. It's an excellent drinking/buying option, no doubt about it." *Campbell Mattinson, The Wine Front, Sept '16*

2010 Cabernet Shiraz

"90 points, Special Value" "A 6-vineyard blend, matured for 18 months in oak barrels (mainly French). As generous and honest as the man it honours (the late Mick Knappstein), and is by some distance the best of the Mr Mick range, with its juicy array of blackcurrant, red cherry and fine-grained tannins. Great value."

PETER AND MARK SATURNO

"Peter and Mark Saturno, proprietors, and vineyard doctor Dino Cotsaris entertained a mob of wine critics at their stunning Longview Vineyard and B&B/restaurant complex yesterday. We tasted their large range of premium wines and marvelled at the beauty of their special spot at Macclesfield in the Adelaide Hills. (...). The Saturno brothers are always pushing the edges of label design and run an annual competition for graffiti artists who spray big works against the backdrop of that beautiful vineyard. Each year the winning work becomes the label of The Piece, the top Longview Shiraz."

2015 'Macclesfield' Chardonnay

"94+ points" "Toasty barrel-ferment characters, strong ripe peach, grapefruit and spice. This is both a powerful wine and a controlled one. It becomes mealy and flinty through the (long) finish but the roar of flavour through the palate is where the main action is. I think we can safely say that the quality here is very high."

Campbell Mattinson, The Wine Front, April '16

"4 stars" *Tony Love, The Source SA, April '16*

2013 'W. Wagtail' Sparkling

"10 Top Aussie Sparklings" "The label is a bit of fun but the wine is deadly serious: dry to the bone, lean and lemon-sharp, a cid hounds will find much to admire. Pale pink in the glass, dusty pinot confectionery notes, red apple, lemon zest and grapefruit juicy, it finishes super taut." *Jeni Port, The Age, Epicure, Nov '15*

2016 'Whippet' Sauvignon Blanc

"90 points" "(...). Grapefruit and passionfruit, delivers enough flavour without being over-the-top, light chalkiness to the texture and grapefruity acidity to close. Feels a bit coarse on the finish, but stays trim and neat. Good." *Gary Walsh, The Wine Front, Oct '16*

2016 'Queenie' Pinot Grigio

"90 points" "Recommended. Fresh pear, custard apple and seaspray characters lend this a good clip of flavour. It looks the goods through the palate and then finishes both fresh and flowing. Aftertaste has a subtle nuttiness to it. Dry style. Nicely done." *Campbell Mattinson, The Wine Front, Nov '16*

2012 'The Piece' Shiraz "96+ points"

"Very deep garnet in color, the 2012 Shiraz The Piece has a compelling nose of crème de cassis, blackberry pie, baker's chocolate and licorice with an earthy undercurrent and hints of eucalypt, incense and cigar boxes. Medium to full-bodied and densely packed with complex, multi-layered black fruit preserves, earth and spice flavors in the mouth, it has a firm yet rounded tannins frame and just enough freshness to give lift to the long finish. Cracking Shiraz!"

SAUVIGNON BLANC

A textural and savoury Sauvignon Blanc delivering complexity and depth. Citrus notes roll into cut hay and hessian delivering a mouth-watering experience. The wine displays precise balance and poise finishing with cleansing acidity and tacy tannins.

PINOT GRIGIO

This definitive Grigio exudes just ripe pear, slivers of citrus and crunchy apple. Thrilling in the mouth with lip smacking flavour and intense acidity, the wine finishes fresh, crisp and clean. For immediate enjoyment now and over the next few summers.

CHARDONNAY

Estate grown. A top bistro chardonnay with a delicate back bone of time nurture in aged French oak. Classic varietal characters of stone fruit and lime. Pleasant and well balanced in both length and finish.

PINOT NOIR

Estate grown. Rich cherry and plum notes. Soft tannins and leather, smoky French oak. A fine medium bodied Pinot Noir with superior length and a mellow, lingering finish. Big in Melbourne's funkiest bistros!

CABERNET SAUVIGNON

Vibrant crimson with purple hues. A lifted wine with fragrance and poise. Blackcurrant, dark chocolate, violets and hints of cedar bestow an alluring prologue. The palate is substantial and full with fine integrated tannins and subtle oak.

SHIRAZ

A rich, deep, youthful purple wine. Dark fragrant fruits lift from the glass ranging from plum and blackberry then hints of spice and pepper join the fray. A wine of some complexity layered with soft acidity and finishing with fine grained tannins.

ABOUT

Paul Osicka Wines is the longest established producer in the Heathcote Wine Region. The vines are grown without irrigation on sandy loam soil over quartz and red ironstone gravels. The vines are hand pruned to balance the yield and the grapes are hand picked to achieve optimum fruit quality. These factors combine to produce small, intensely flavoured and coloured grapes necessary to make premium wines. The use of synthetic chemicals to manage the vineyard is kept to an absolute minimum to promote better soil and vine health. The Paul Osicka estate is now run by Paul and Simon Osicka, the second and third generations to be involved in the vineyard.

SIMON OSICKA

"Prior to joining the family business full-time in 2010, Simon had senior winemaking positions at Houghton, Leasingham and as group red winemaker for Constellation Wines Australia, interleaved with vintages in Italy, Canada, Germany and France, working at the prestigious Domaine J.L. Chave in Hermitage for the '10 vintage. The fermentation of the red wines has been changed from static to open fermenters, and French oak has replaced American oak."

"Best Wineries of the Regions, 5 red star winery"

Halliday Wine Companion '15-'17

"When patriarch Paul Osicka brought his family to Australia in the early 1950s, the industry was suffering a hangover following the removal of beer rationing. The once mighty Hunter Valley had only 466ha in production in 1956; in Victoria, no new wine businesses had started for 50 years. But that did not deter Osicka from continuing to practise the skills of grape-growing and red winemaking that he had brought with him from his native Czechoslovakia."

2013 'Moormbool Reserve' Shiraz

"97 points, Best of the Best by Variety, Special Value"

"Selected from rows 30-58 off vines planted '50, only made in the best vintages; open-fermented and macerated for a total of 4 weeks, matured in French hogsheads (30% new) for 18 months. Very good colour; this is very different to Majors Creek, with more intensity, focus and linear power, its extreme length underlining its demand for extended cellaring, its balance ensuring you won't be disappointed."

Halliday Wine Companion '16

2013 Shiraz

"96 points, Special Value"

"Hand-picked in 11 parcels, 93% from vines planted in the '50s, some rows picked three times over 3 weeks; open-fermented with different treatments, some whole bunches in some ferments, all 3-4 weeks on skins, matured for 16 months in French hogsheads (25% new). A very distinguished wine, the complex bouquet setting the scene for the medium to full-bodied palate and its suave mix of black fruits, spice, pepper and licorice."

Halliday Wine Companion '16

"93 points"

"(..). It's a warm, voluptuous shiraz with plenty of fruit stuffing and a velvety-ness to the texture. This will keep many folks happy. It tastes of dark plum and asphalt with clovey, spicy edges. A wine of smooth, warm heft."

"...a wine of purity and endurance..."

"H&V captures a flattering elegance unusual in this vintage. Accurate lime and crisp granny smith apple fruit rides on a precise line of long-lingering acidity. Masterful phenolic management in this season confirms a wine of purity and endurance. An earlier drinking H&V, true to the season."

"93 points, Special Value"

"Excellent example of the modern fresh-faced style of Barossa shiraz. It has enough weight of flavour without being over the top, is vibrant with kirsch and not-overripe blackberry, and swings cloves and five spice notes effortlessly throughout. Smells, tastes and feels good. Kicks of tannin completes the task."

"95 points"

"Extracting the deep, brooding black fruits, dark chocolate liquorice and spice that epitomise the finest Barossa shiraz, without firm tannins that threaten to topple a sparkling wine, is a precarious undertaking that calls for Jedi-like reflexes. The Lehmann team has pulled a heroic stunt in the benchmark '10 season, drawing all this from three Light Pass and one Ebenezer district vineyards, with impeccably fine tannins, well-balanced dosage and beautifully creamy bead. The result is one of the finest Black Queens yet."

"Bargain"

"This is one hell of a good buy, the bottle and packaging suggesting you'd could be up for a much larger spend on this blend. It offers a good cross-section of big red wine pleasure, the first leading the nose with a subtle mint/eucalypt and cherry note while just one mouthful brings in mid-palate muscle, full-bodied texture, dark chocolate senses and a chappy oak background. Perfect with Osso Bucco."

"97 points, one of the Best of the Best by Variety, Exceptional + Special Value"

"From a small block on the western ridge of the Barossa Valley sustainably farmed by Ian and Daniela Hongell. Deeply coloured, it spent 10 days on skins before 12 months in French hogsheads; it is a black-fruited powerhouse that defies logic with its calm elegance derived from skilled handling of its ripe tannins and subtle, cedary French oak."

Halliday Wine Companion '16

2012 'Blesing' Shiraz

"96 points" "The Blesing Vineyard is in the Southern Flinders Ranges, 400m above sea level; a relatively short 10-day fermentation was followed by 12 months in French oak. It is an exciting wine, with satsuma plum, licorice and spice notes embroidered by fine-grained tannins; emphatic length, yet elegant."

Halliday Wine Companion '16

2013 'Ruediger' Cabernet Sauvignon

"95 points" "Fresh and pretty with deep complex cabernet elements of black and green olive, coriander and oregano. The palate is amazing. Slippery tannins leading to long complex olive and coriander blackcurrant fruit in well balanced tannins and overall bright juicy fruit that finishes ripe and exciting."

STONEWELL

Stonewell Shiraz began in 1987 when Peter Lehmann decided to make a special Shiraz - a wine of immense intensity and muscularity that would demand time in the barrel and bottle before release. The wine was named 'Stonewell' after the district that he believed best showed the characters admired most in Barossa Shiraz.

"Finishes its fermentation and is matured in French hogsheads for 18 months. The varietal expression is faultless, redolent of black fruits corralled by some bramble and savoury tannins on the finish. A very good vintage for cabernet - indeed all red wines - in the Barossa Valley if the alcohol is controlled."

"5 red star winery" *Halliday Wine Companion '17*

2013 Sauvignon Blanc

"94 points"

"A barrel-fermented sauvignon blanc that has attitude, heaps of it. There may be some element of fruit selection, but counter-intuitively, it seems to lift the fruit profile while still introducing the textural complexity one expects from fermentation. It's a convincing example of the genre."

Halliday Wine Companion '15

"91 points"

"It's an interesting flavour profile. It's low alcohol and zesty/racy as a result, but there are sweet barley sugar-like fruit notes amid grass and woodsmoke. Both complex and crowd pleasing at once. Intensity it has in spades, length too, though the wine's fruity exuberance sets you back on your heels a bit. It's not a wine to be passed over at speed; it makes you take notice of it."

Campbell Mattinson, The Wine Front, July '14

MOURVÈDRE

Hand-picked from a manicured vineyard in the Stonewell subregion of Barossa Valley. Destemmed only and fermented with indigenous yeast in two small parcels. After a few days of cold maceration, the ferments were hand plunged 3 times a day and allowed to get to 30C. Both parcels were pressed after 21 days 'on skins' with all the free run and pressings combined. Matured in French oak for 20 months and allowed to undergo malolactic fermentation. Minimal fining and no filtration. On the nose, red and black juicy fruits, smokey meats, floral and spice, hints of cedar and cream. The palate explodes with juicy red fruits onto the early and mid palate, with an underlying meatiness and spice building to the late palate. Balanced by fine tannins and a tight finish. Drink until 2027.

SAUVIGNON BLANC

Machine harvested, great flavour at low baume and good acid, the fruit was pressed with only the free run being used. After settling, the juice (with some fluffy lees) was transferred to new tight grain French barrique, fermented with indigenous yeast and then sat on lees with occasional battonage until Nov 2013, bottled in Dec 2013. The nose and palate has flinty citrus sherbet with straw and fresh creamy mealy notes, supported by a subtle herbal thread of kiwi and snowpeas. Mouth-watering acidity and a textured palate, finishing long, fresh and balanced. Drink until 2020.

ABOUT

Printhie wines is owned and operated by the Swift family, locals to the Orange region for 35 years. Every individual batch of wine is made at Printhie aspiring to be classified at the highest level. Every wine is made with the same attention and passion in the hope that it will attain the highest classification. Of course, not all of them do but they all benefit from the treatment lavished upon them.

MOUNTAIN RANGE (MR)

A range of popular varietal red and white wines, blended from a number of vineyard sites throughout the Orange region and expressing true regional character. These wines are made with great care and attention. They consistently provide great quality and value for money. The wines exhibit true varietal characteristics with an Orange regional expression. Fruit flavours are paramount. There are underlying complexities to add interest and personality to the wines. They are fresh, balanced and immediately enjoyable.

2013 'MR' Cabernet Sauvignon

"Light, but bright, colour; a well articulated wine, its alcohol virtually invisible, for the flavours are all on the savoury side, and the palate is only light to medium-bodied. Good all-occasion style when cabernet is on the wine list."
Halliday Wine Companion '16

DREW TUCKWELL

Drew began his path to winemaking in 1993, working as a cellar rat at Brokenwood estate in the Hunter Valley. He had so much fun, he returned in 1994. Hooked on winemaking by this stage, Drew gave up his career as a graphic designer and became a 'vintage gypsy', travelling to Europe for work. After the 1995 vintage in Chianti Classico in Tuscany, he returned for a vintage at Brown Brothers in north-eastern Victoria, then back to Tuscany in 1996 for another vintage before deciding to go to the University of Adelaide for formal Oenology qualifications. After seven years in Mudgee NSW fulfilling Drew's ambition to play with Italian varieties as well as varieties such as Chardonnay, Shiraz and Cabernet, Drew moved to Printhie, excited to have joined such a quality driven family-owned winery.

A SUSTAINABLE FUTURE

Having had the Printhe property in the family for 35 years, the Swifts would like to pass it on to the next generation of the family as a financially sound business operating within a healthy, productive and biologically diverse agricultural environment. The family are undertaking a native re-vegetation project that will re-establish a natural habitat for native species of flora and fauna free of agricultural activity. This project is also aimed at reducing soil and creek bank erosion along natural water courses through the property.

In the vineyard, the Swifts are constantly monitoring their viticultural practices to reduce water and chemical use. Consumption of fossil fuels is also being reduced through better vineyard management techniques and encouraging an increased level of biodiversity within the vineyard environment. In the winery the building design has allowed for natural ventilation eliminating the need for power generated climate control and they capture the CO2 produced by fermentation and recycle the inert gas within the wine production process to reduce their reliance on purchased CO2. All grape marc is composted along with other raw materials produced on the property (cow manure and straw) to produce their own natural fertiliser that can be put back onto the vineyard. They recycle all packaging such as glass, plastic and paper products so that virtually nothing goes to landfill. Future objectives include better recycling of winery wastewater and offsetting their carbon emissions.

ABOUT

SANTA & D'SAS is a new collaboration between old friends Andrew Santarossa and Matthew Di Sciascio and their families who met each other while studying their wine degrees. With a shared Italian cultural heritage, a strong passion for making wine and a great family friendship, their first collaboration was to make a joint student wine together as part of their studies.

The Santa & D'Sas approach with the Ampersand single vineyard range of wines is to harness the strength and characteristics of the selected premium Victorian vineyards to create varietal and vineyard expressive wines that show genuine sense of place. Fruit for the Riesling and Pinot Gris is sourced from the Doeven Vineyard, Drumborg in the Henty Wine Region. Fruit for the Chardonnay and Pinot Noir is sourced from the Langbrook Vineyard, Yarra Junction in the Yarra Valley. Fruit for the Shiraz is sourced from the Collbinabbin Estate vineyard in Heathcote.

CLARE VALLEY

ABOUT

Owner and winemaker, Tim Adams, began his career in the wine industry as a cellarhand at the Stanley Wine Company in 1975, steadily working his way through the ranks to become winemaker in 1981 following graduation. The first inclination to leave came in 1985, when Tim and his wife were approached by local cooper Bill Wray to form a partnership of the two families to make wine and small oak casks. The first wines under the Adams & Wray label were released in September 1986, by which time Tim had left the Stanley Wine Company. In May 1987 the Adams & Wray partnership was dissolved, and Tim and his wife Pam took full control of the renamed Tim Adams Wines. In late 1987 they purchased the existing winery site and opened the cellar door in January 1988.

Tim Adams Wines

"Tim Adams is one of the finest and most consistent of the Clare Valley's many wineries."

"The affordable prices and widespread availability of its wines do not give them the caché that scarcity or extreme cost often delivers regardless of quality. These are true enthusiasts' wines – they're carefully and professionally made from well-managed and low-yielding vineyards, and they exemplify what the Clare Valley is all about. (...)"

2010 'Reserve' Riesling

"96 points" "From the Jenner Vineyard, only free-run juice (500l per tonne) used, traditional vinification with neutral yeast, cool fermentation and early to bottle. Still in its primary phase, fresh and vibrant, still pale in colour; that said, it has intensity and prodigious length. There can be no question about its future, with some honey just peeping around the corner, toast still far away. Irresistible, especially at this price."

Halliday Wine Companion '16

2016 Riesling

"92 points, Always a hot contender in the list of best wines around and under \$20." "Always a hot contender in the list of best wines around and under \$20. Sweetly floral, youthful banana perfume, ripe lemon and lime. Fresh and flavoursome, though it's a more racy iteration of this wine for sure, gentle powdery texture, brisk Granny Smith apple acidity and flavour, and more of the same on a pretty long, but fractionally coarse finish. It's good now, but it'll be better in the new year (2017)."

Gary Walsh, The Winefront, Aug '16

2011 Semillon

"93 points, Special Value" "You cannot miss the fact that the wine was barrel-fermented, but the fact that the oak was 100% new French hogsheads, and the wine spent 6 months in that oak could have been lost; the cool vintage and early picking mean great things are in store for those with patience."

Halliday Wine Companion '15

2016 Pinot Gris

"Value: spot on." "Value: Spot on. Best with: Chilli pork. The colour will confound you – it's pale pink in what's usually a white wine class. You can work this as a rosé but be prepared for another quirk here, as a subtle residual sweetness has been nurtured, providing a delicate tension between the crisp and crunchy acidity and delicious red apple/strawberry flavours."

Tony Love, Adelaide Advertiser, Sept '16

"One of the best 'go to' options on the pinot gris front." "One of the best 'go to' options on the pinot gris front. Pink tinge. Plenty of juice. Enough intensity of flavour to satisfy. Florals and pear, perhaps a trace of grapefruit. It's hard to taste/talk about this wine without using the word delicious. It's simple, there's little doubting that, but eminently more-ish. Crowd pleaser. Done very well."

Langton's Classification VI: Excellent

2012 'Aberfeldy' Shiraz

"94 points" "I often think of The Aberfeldy as being like the Clare Valley's Grange. Aside from the fact that it's from a single region, and much less than one tenth of the price. It's a flagship wine that's easy enough to enjoy now, or much later. (...)" *Gary Walsh, The Wine Front, Oct '15*

"94 points" "One for the cellars. Has supreme depth and carriage of flavour, grooves of tannin, supple finish. Stains the palate with its powerful, inky, dark fruit and dried fruit spice. Oak gives structure and more depth. A rich, potent wine of balance and magnitude." *Mike Bennie, WBM, Jan '16*

2012 Cabernet Malbec

"94 points, Special Value" "Excellent release. Not particularly deep but aflame with personality, regionality and life. It's dusty, curranty, shows elements of gun smoke and gum leaf, and swings decisively through the finish. Don't hesitate." *Campbell Mattinson, Halliday Wine Companion '16*

"4.5 stars, Great Value" "(...). *** NEW WINERY ***

ABOUT

Spring Seed Wines are made from grapes grown in the Bosworth family's organic vineyards, located in the premium wine region of McLaren Vale, South Australia. The vineyards were established in the early 1970s by Peter and Anthea Bosworth, and are now owned and run by their son Joch (and partner Louise Hemsley-Smith), who began the conversion to organic viticulture in 1995. The vines are fully certified organic by Australian Certified Organic (ACO P/L), a process that takes four years and involves yearly audits and random sampling of produce.

The Spring Seed Wine labels are unashamedly inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are quite remarkable. Joch and Louise chose three different flower images to adorn each one of their McLaren Vale wines, simply because they are quite lovely.

Joch Bosworth also makes Battle of Bosworth wines using grapes from their organically grown and certified vineyards.

"92 points + Special Value" "It's like a strawberry-accented white wine with plenty of zing and zap. It's refreshing, juicy and has ample impact." *Campbell Mattinson, Halliday's Wine Companion website, Aug '16*

"90 points" "A light pale pink hue this cheeky little McLaren Vale Rosé smells delicious with watermelon and light wild red berries, hints of white nectarine too. The palate has crunchy tangy bite, nicely pitched, very drinkable." *Nick Stock, JamesSuckling.com, Feb '16*

'Aster' Pinot Noir

Back in the 1980s Pinot Noir was big in McLaren Vale. Joch's parents grew it to supply wineries with their sparkling base. They have a couple of blocks left and use it to make a beautifully fragrant and silky smooth style. The idea is not to over-extract tannin - they don't want to make a big Vale dry red, more Beaujolais style. To this end, they employ 'carbonic maceration'. The rest of the grapes are crushed and go through a more standard red wine making procedure, with open fermentation and pump-overs to extract a bit of colour and tannin.

YAL YAL ESTATE

ABOUT

Yal Yal Estate is a picturesque, boutique vineyard located at Merricks on the Mornington Peninsula. Working with renowned winemaker, Sandro Mosele (ex Kooyong and Port Phillip Estate), Liz and Simon Gillies launched the Yal Yal Rd label in 2010. Established in 1997, the vineyard focuses on low yield, single estate Chardonnay and Pinot Noir that reflects the unique character of Yal Yal Estate's terroir.

Prior to 2009, Liz and Simon's excellent fruit was sold to highly regarded vineyards on the Mornington Peninsula. In 2009 they sold most of their fruit and produced their first Yal Yal Rd Chardonnay to significant acclaim. This small run sold out in six months.

The 2009 Pinot Noir made for another vineyard by Sandro Mosele, Yal Yal Estate's winemaker, and using their grapes, was very highly rated by James Halliday, receiving a score of 94, and sold out within 3 months. This augured well for future vintages and so with great excitement Liz and Simon decided to produce their own Chardonnay and Pinot Noir from 2010.

2014 Chardonnay

"95 points, James Halliday's Top Cellaring Selections 2016"

"Wild yeast barrel-fermented and matured in French oak (16% new) for 10 months. A vibrantly arresting and complex wine, the flavours building throughout the length of the palate, reaching a crescendo on the finish as the acidity clicks in alongside the fruit. There are aspects of Coche Dury in play here."

SANDRO MOSELE

Yal Yal Estate has a close relationship with their winemaker, Sandro Mosele, who shares their philosophy of ensuring that the wines are representative of the place and the seasons in which they grow.

The wine making approach is non-interventionist. All wines are fermented spontaneously and are wild fermented. Wholly French oak is used for wine maturation and the wines are unfinned and only minimally filtered.

Zonte's Footstep is a proudly independent Australian wine company. We take our vineyards and our wine, but not ourselves, seriously. In 2003 we pooled old white utes and new-ish tractors to grow the best grapes from the best vineyards and the wines are now at the vanguard of a revolution of Australian wine styles.

Zonte's Footstep is named after a 19th century Zante currant vineyard, as new plantings follow the original footprint. The currant business dried up, but Zonte's Footstep became our blueprint...

All we want to do is taste our fruit in our wine, so we charged our reigning winemaker, Mr. Ben Riggs, with one goal; to make the best wines we can, true to vineyard and variety, so long as we make a bloody good drink!

'Bolle Felici' Prosecco...happy bubbles!

A chic drink with a light fizz is truly happiness in a bottle... a nice synergy given Bolle Felici translates from Italian to 'happy bubbles'. 95% Glera and 5% Pinot Grigio from the Fleurieu Peninsula. Only the finest free run juice is fermented by traditional Charmat Method. Citrus aromas with hints of honey and white flowers. The initial palate is fresh and clean with ripe citrus and green apple flavours. Light-bodied with delicate touches of grapefruit and nectarine with a hint of minerality.

Sauvignon Blanc

'Single Vineyard' Sauvignon Blanc harvested from the volcanic Greywacke stone soils of the 'Utawai Creek' vineyard. This vineyard consistently produces intensely flavoured grapes with good natural acidity. Vibrant and dry, with a racy acid backbone, delicate and intense with distinctive minerality, flintiness, and a very long finish.

Syrah

'Single Vineyard' Syrah harvested from the clay soils of the 'Au Plein Soleil' vineyard. This low yielding vineyard has a few vines of Viognier, which is co-fermented with the Syrah grapes in small vats. Traditional northern Rhone Valley winemaking has created a New Zealand wine in an Old World style. Focussed and concentrated, powerful, but graceful, with lithe tannins, balance and a very long finish.

2015 Sauvignon Blanc	125.00	13.44	NEW VINTAGE

When Allan and his wife Catherine decided to settle in Marlborough in 1973, Allan took a job with Montana working in their new vineyards. In 1980 he was head-hunted by Corbans to oversee the establishment of their Marlborough vineyards. He soon became their Senior Viticultural Manager, which not only gave him responsibility for the company's entire national grape intake, but led him to become part of the winemaking team. All this stood Allan in good stead for the family's foray into winemaking. Back then, there weren't any boutique wineries to speak of in Marlborough. In 1975 Allan and Catherine purchased a block of land and got into contract growing. Then, when the first independent winemakers started to emerge in Marlborough, Allan and Catherine were in a position to become a part of this new era in New Zealand's wine industry. In 1990, they launched Allan Scott Wines, now a true family business, which they run together with their three adult children.

2016 Organic Sauvignon Blanc

All components were kept on yeast lees as long as possible until blending, adding greater flavour and softness. Typical aromas of tropical fruit, passionfruit and lime show through on the nose. It has great minerality and drinkability due to the freshness on the palate. The tropical fruits continue on in the mouth with hints of melon and citrus which adds great length of flavour.

2016 Organic Pinot Gris

Being a dryer style (6g/L residual sugar) it has a great drinkability due to the freshness on the palate. Pear and citrus notes with crisp acid backbone and length of flavour.

ABOUT

Deep in the south of New Zealand and surrounded by mountain ranges is Central Otago, New Zealand's smallest but fastest growing wine region and home to some of the finest vineyards in the country. Central Otago has a continental climate of hot summers and long cold winters and in small pockets of the region the combination of microclimate and unique soil conditions are perfect for growing the fickle Pinot Noir grape. The Pinot Noirs from Central Otago have been rapidly gaining international acclaim.

Lowburn Ferry is the area surrounding an historic ferry crossing over the mighty Clutha River. A picturesque lake now occupies the ferry site at the base of the Lowburn Valley and vineyards abound on the surrounding glacial terraces where goldminers once toiled in the hot Otago sun. Nestled on a sheltered north facing terrace in the Lowburn Valley beneath the Pisa Range is Lowburn Ferry Vineyard, a family owned vineyard dedicated to the production of high quality Pinot Noir wine. The vines are hand tended to maximise the benefits of the unique terroir and microclimate.

2012 Pinot Noir "4 stars, 18+/20"

"Fruit from two Southern Valleys sites and from the 'Antipode' estate, Fareham Lane, given a cold soak and indigenous yeast fermented with 10% whole bunches to 13.0% alc., the wine aged in seasoned oak. Ruby-red colour with garnet hues, lighter on rim. The bouquet is elegant in expression with fragrant red berry fruits infused with subtle oak spices and whole bunch savoury herb nuances forming a harmoniously interwoven and detailed core. Medium-bodied and stylishly proportioned, elegant flavours of savoury and spicy red fruits are complexed by whole bunch herbal layers and spicy oak. The mouthfeel is well-balanced with fine acidity and fine-grained tannins providing a dry, textured line. This flows with good vitality and the wine carries to a slender, lingering finish. This is an elegant and fine-featured Pinot Noir with red fruits and savoury, spicy complexities. Serve with poultry, pork and Middle Eastern fare over the next 4-5 years."

The style of the Verdicchios from Matelica are richer and more expressive than the better known Verdicchio Dei Castelli Di Jesi. In particular, the Belisario expresses precise floral notes, strength, minerality and the freshness which Matelica is renowned for.

Verdicchio 'Terre Di Valbona' DOC

Only the best grapes are selected at harvest. A pale lemon-coloured wine with a lovely aromatic and clean bouquet of acacia and a touch of honey. Surprisingly full-bodied, it shows great balance between its crisp green apple character and the richer honey and lemon flavours. The finish is dry and vibrant.

2008 Barolo 'Vigna Cucco' DOCG

100% Nebbiolo from the Vigna Cucco vineyard, this powerful wine begins its ageing process with 14 months in small French oak barrels, followed by 9-10 months in traditional barrels, then bottle maturation a year before release. This cru, the jewel in the company's crown, stands out for its bright ruby red colour with slight orange hues, and its complex and enveloping bouquet where the varietal hints of wild rose blend with the aroma of sage. The fruity aspect then emerges, bringing to mind shrivelled blackberries, pressed sour black cherries and, to complete the picture, spices and wild overtones.

Brothers, Pico and Vitaliano Maccario, run this estate created by their grandfather, Carlo. Pico Maccario, the eldest brother, Pico, devotes himself to the production of the wine, while Vitaliano handles the marketing and commercial aspects of the business. They are highly demanding of themselves and have an exact idea of the efforts necessary to achieve the excellent results they obtain.

Made from 100% Barbera grown on the soft Pleistocene hills formed from fluvial and river lacustrine deposits, the grapes are picked at optimum maturity, gently crushed and macerated for 10 to 12 days. Ageing takes place in steel vats for 9 months (no oak), during which time many different decantations are done before bottling and further ageing in bottle before release in spring. The colour of the wine is ruby red, the aroma intense and charming, with cherry, plum and red berries. The palate is complex, well-structured, harmonious and long.

POGGIOTONDO

ABOUT

Poggiotondo is located in the western part of Chianti, on the hills that connect the Montalbano with the Arno Valley. This region is more directly influenced by the Mediterranean, which gives Poggiotondo a milder climate than others in Chianti. The soils at Poggiotondo have a marine origin with plenty of limestone fossils (seashells), which have a strong impact on the wine flavours.

ALBERTO ANTONINI

Alberto Antonini, the owner and winemaker at Poggiotondo, makes his wines in a modern style, whilst adhering to the true regional characteristics of the Chianti region. A few years ago Alberto decided to move back to traditional vineyard management and stopped using synthetic chemicals (herbicides, chemical fertilizers, systemic spraying agents etc) in order to regenerate the soil and make it 'alive'. Most of the conventionally managed vineyards' soils are dead, and dead soils grow dead fruit which is responsible for dead wines. By encouraging the vines to develop their own antibodies, Alberto is experiencing healthier vines, better fruit quality, character and a very likely longevity of centuries of the vineyards themselves.

Cartizze is a small hilly area with 106 hectares of vineyard lying between the districts of Santo Stefano and S. Pietro di Barbozza in the municipality of Valdobbiadene. Within this area lies 'La Rivetta' vineyard owned by Villa Sandi. A true cru that is the result of a perfect combination between a gentle microclimate and a very old land with calcareous sandstones and clays. The wine is very pale straw yellow with an intense, fine and persistent perlage. Intensely fruity aromas with clear notes of ripe golden apple, exotic fruit salad and citrus fruits. A persistent floral aroma reminiscent of acacia and wisteria flowers.

Pinot Grigio IGT

Grown in the Veneto IGT (typical geographical indication). The area has loose, dry floodplain soils rich in subsoil. Whole grapes are put into the pneumatic press for soft pressing and the resulting must, after a first racking, is put into controlled temperature fermentation tanks. The wine remains on the lees for several months before bottling. Fruity and floral fragrances, a dry, round and rich taste, with a fruity, warm and well-balanced finish.

Château-Chalon AOC Vin Jaune	700.00	75.25	620ML BOTTLES

Since 1937, this typical village overlooking the Seille Valley has been producing Château-Chalon AOC. Vin Jaune, also called 'gold of the Jura', is considered one of the world's greatest dry white wines and owes its name to its intense golden yellow colour. Native to Château-Chalon, Vin Jaune is still the undisputed king of this appellation. It's also produced in Arbois, L'Etoile and Côtes du Jura. Made exclusively from Savagnin grapes, it only reveals its exceptional aromatic qualities after a long, mysterious metamorphosis by undergoing a specific fermentation process under a film of yeast known as the voile, or veil which protects the wine from oxidation by sealing it from the ambient air. It's this yeast that somehow enables Vin Jaune to develop its complex characters. Once fermentation is complete, it must be stored for at least six years and three months in oak casks, during which it is neither racked nor topped up ('ullage'). Once the aging process is complete, it is placed in unique, purpose specific bottles known as 'Clavelins'. A Clavelin has a capacity of just 620ml. This peculiarity can be explained by the fact that, generally speaking, a litre of grape juice reduces to 620ml of Vin Jaune once it has aged. The Clavelin is the only bottle licensed to contain Vin Jaune.

The wine's highly developed, enchanting nose shows aromas of walnut, wild mushroom and spice. Complex, elegant and structured. Flavours of walnut, dried fruit, curry, saffron, and toastiness. Long and persistent.

At an average altitude of over 800m, Tempranillo (known locally as Tinta del País or Tinto Fino) grows thin-skinned fruit with refreshing acidity, which in turn produces wines that are delicious when they are young but also have the capacity to age magnificently. Aventino Tempranillo is made from 100% Tinta del País from vineyards that were planted between 60 and 120 years ago, with an average age of 80 years. Low yield vineyards, careful handling and temperature controlled fermentation and maceration has resulted in a strong collection of modern fruit forward red wines. The grapes were handpicked and vinified with temperature controlled fermentation in stainless steel tanks at 26-30°C with manual pump over. Up to 15-20 days maceration. After malolactic fermentation 15% of the wine was racked to a combination of 1-3 year old French and American oak barrels where it was aged for 4 months before blending back in to stainless steel tanks and prepared for bottling. The concentrated bouquet combines brilliantly blueberries, blackberries, wild strawberries and toasty aromas with mineral notes. On the palate a veritable explosion of fruit, spice and wonderful touch of ripe tannins that give the final nice length.

Ample sunshine and cool evenings create ideal conditions in developing superior flavour and crisp acids. Approximately 110 lots of base wines are sampled and eventually the cuvée is selected based on aroma and acidity. Made in the Méthode Champenoise, the assemblage is then bottled with a small amount of liqueur de tirage which triggers secondary fermentation. Aged sur lie for up to 18 months before a sweet liquid dosage is added to the bottle, balancing the delicate, natural high fruit acids and viscosity.

Starting with Napa and Sonoma, it's a pretty short list, and one of the top spots on it belongs to Oregon's Willamette Valley. While California is best known for its cabernet sauvignon, rivalling Bordeaux, the Willamette Valley has taken on Burgundy and is now widely considered one of the world's best growers and producers of pinot noir. The enthusiasm for Grüner Veltliner and the knowledge and experience in winemaking for more than 400 years has resulted in a new international style of Grüner Veltliner: subtle spice, elegant acidity, vibrant and playful on the palate and flattering on the finish. In other words, Laurenz V has not create a Veltliner of extremes, but of elegance and charm.

Laurenz Maria Moser V inherited his knowledge from his grandfather, the legendary 'Grandpa Grüner', Professor Dr. Lorenz Moser III, who invented and developed the ubiquitous Austrian trellising system called the 'Lenz Moser Hoherziehung', which revolutionized vineyard cultivation right across Europe. His advice to his grandson was: "Concentrate on the important tasks in life and do them well. The art of good Grüner Veltliner is to cultivate perfect grapes and simply not ruin them in the cellar!"

The grapes for Singing Grüner Veltliner by Laurenz V. und Sophie are grown mainly in loess and gravel soils of the Kremstal region. By adding some Veltliner grapes from the Weinviertel region the wine takes on the typical spiciness and a touch of white pepper. And with the daughter of Laurenz Maria Moser – Sophie, born in 1991 – the 16th generation of the Moser wine family is well on its way.
