## 2015 IRON KNOB RIESLING

### TASTING NOTES

The Iron Knob block is situated on the south western face of the highest point on our estate, this block consists of iron stone soil, hence the name 'Iron Knob'. This 2015 Riesling shows subtle aromas of nectarine, pear and apricot blossom. The iron stone soil produces a flinty mineral character with a fine powdery palate of lemon and lime. It has undertones of gravelly minerals, a character seen consistently off of this vineyard. The palate finishes with thrilling natural acidity which balances beautifully with the fruit giving the wine a long textured finish.

### WINEMAKING NOTES

Iron Knob Riesling is sourced entirely from Longview's vineyard at Macclesfield in the Adelaide Hills. The fruit was hand-picked, chilled to 9°C and then juice separated and skins pressed. Bentonite fining and coarse earth filtering ensures a clear bright finish.

Alcohol: 12.0%  
Residual sugar: 0.5g/l  
pH: 3.16  
TA: 6.0g/l  
Date of Bottling: 17 June 2015  
Blend: 100% Riesling
