## 2015 WHIPPET SAUVIGNON BLANC

---

---

### TASTING NOTES

Grown on our estate's south-western slopes, this 2015 Whippet was handpicked from our consistently brilliant blocks SB16, SB17, CR4 and CR1. The 2015 Whippet shows all the hallmarks of fine, cool-climate Adelaide Hills Sauvignon Blanc. 2015 was a very dry year and although the early summer months were hot, the Adelaide Hills cooled off during February to produce incredibly balanced full flavoured fruit.

This Sauvignon Blanc displays aromas of fresh cut grass, asparagus, honeysuckle, white flowers and lemon. The palate displays refreshing melon, gooseberry and nettle characters and finishes with incredible mouth-watering acidity.

---

### WINEMAKING NOTES

Whippet Sauvignon Blanc is sourced entirely from Longview Vineyard in Macclesfield, Adelaide Hills. The fruit was hand-picked in early morning, chilled to 10°C, the juice separated and skins pressed. Bentonite fining and coarse earth filtering ensures a clear, bright finish.

---

Alcohol: 12.5%

Residual sugar: 0.5g/l

pH: 3.43 TA: 6.6

Date of bottling: 19th of May, 2015
