The Bells Beach Spirit Co. distillery is located on the Victorian Surf Coast, a stone's throw from Bells Beach in Torquay. Owned and operated by wine industry stalwarts David Crawford and Krisdianne Shimmin, they specialise in distilling and creating artisan gin, vodka, whisky and rum from the raw ingredients. All spirits are triple distilled using their 8 stage column still, affectionately known as 'Meg'. They pride themselves on being a small batch premium producer of artisan spirits – made from scratch.

[www.bellsbeachspiritco.com.au](http://www.bellsbeachspiritco.com.au)

After 25 years making wine, David needed a new challenge. In 2016 he bought a still and started mucking around in his shed – think 'Breaking Bad' but with alcohol and you have the picture! The Bells Beach Spirit Co. range is a result of David's passion for creating spirits that have flavour, depth and character. Krisdianne joined Bells Beach Spirit Co. in 2021 after trying the range and realising David was on to something special. She brings with her a wealth of industry knowledge, eye for detail and a life long appreciation for a fabulous Gin Gimlet.

• Krisdianne Shimmin & David Crawford

## SURF COAST, VICTORIA / EST. 2019

	\$ LUC	\$ PACK	PACK	NOTES
Citrus Gin	65.00	390	6 pk	700ml
Triple Distilled Vodka	65.00	390	6 pk	700ml
Spiced Rum	65.00	390	6 pk	700ml
'The Meg' Small Batch Rum	104.00	624	6 pk	500ml
'The Belter' Single Malt Whisky	156.00	936	6 pk	500ml

**Citrus Gin** – Triple distilled from a light barley wash and triple carbon filtered. A classic, refreshing, citrus based gin showcasing lemon, Kaffir Lime, lemongrass, juniper & hops.

**Vodka** – Triple distilled from a light barley wash and twice carbon filtered. Rich and nutty, you can drink this vodka with a mixer or straight out of the freezer.

**Spiced Rum** – Distilled from sugarcane and rested in oak, this rum has a unique balance of delicious spice and citrus flavours. Cloves, cassia bark, cardamon pods, star anise and orange rind for a rich and spicy rum.

**'The Meg' Small Batch Rum** – Created from black strap molasses, The Meg has been carefully crafted from it's dark sugar cane base to a rich vibrant, aromatic spirit. It is then matured in American Oak Whisky barrels creating its bold colour with lashings of honey and subtle vanilla tones, burnt caramel, sultanas and marmalade.

**'The Belter' Single Malt Whisky** – The Belter is crafted from 100% Australian malted barley. Twice distilled, and then capturing only the hearts fraction, this skillfully crafted spirit is matured in 40 year old Tawny Port barrels to impart a finish of intense dried fruit, seamless rich depth and a long and lingering finish that belies its age.

Established in 2010 and crafted in the heart of spectacular Bellarine Peninsula by cider master Nyall Condon, Flying Brick Cider Co is renowned as the region's first and finest cider. The dynamic producer quickly established a reputation for authenticity and pedigree. All Flying Brick ciders are naturally crafted using traditional methods, 100% fresh fruit and are proudly free from added sugars, colours or concentrates. Gluten free and vegan, Flying Brick signatures are Original, Draught and Pear.

**Original Cider** – Opulent golden straw in colour and a fine, delicate bead. Lovely vanilla notes shining through on the nose. A playful creaming soda-like toffee complexity upon the palate and loads of fresh apple sweetness.

**Pear Cider** – Uncomplicated and pure. A delicate, pale straw appearance. Subtle, succulent pear notes across both nose and palate unashamedly denote this cider's origins. A lively, dryer cider style showing vibrant, natural acidity alongside luxurious fruit on the palate.

**Draught Cider** – Warm honey/toasty display. Big, bold red apple varieties leap out of the glass. A perfect balance of fruit, acid, tannins and alcohol ensure with great mouth feel and finish.

**'RasPerry' Cider** – Packham Pears infused with a high quality raspberry extract. A Rose' colour coming from the Raspberry's natural pigments. Freshly crushed berry notes & loads of fruit sweetness on the nose.

**BATTLE**  
— of —  
**BOSWORTH**  
MCLAREN VALE

Established in 2001 by Joch Bosworth and Louise Hemsley-Smith, Battle of Bosworth take their name from the original Battle of Bosworth, fought on Bosworth Field, England in 1485. The roots of the Bosworth family's battle were planted in the 1850's with their first vineyard in McLaren Vale. Conversion of the 77 hectare vineyard to organic viticulture began in 1995 when Joch took the reins from his father. Bosworth were the first vineyard in McLaren Vale to achieve organic certification and the very first winery in Australia to release an organic wine.

Halliday Wine Companion '21

• Joch testing baumé levels of the Pinot Noir in preparation for harvest

Joch's commitment to organic principles began with an increasing sense of discomfort about using synthetic chemicals on his soils. The benign Mediterranean climate of McLaren Vale is well suited to old fashioned organic farming techniques. Battle of Bosworth produces balanced, single vineyard wines with power and elegance that best express the qualities and characteristics of the site, in a wine style that we, and hopefully others, enjoy drinking.

*2021 Shiraz - 92 points*

"Dark and inky in the glass. Brooding aromas of stewed plum, dried herbs, mulberry, anise and spice. Voluminous on the palate, dark and juicy with licorice, bramble and sweet oak. There's balance here though, via grainy textured tannins and bright, punchy acidity. Opulent and smart value."

*The Real Review*

# BELLBRAE Estate

*"Best Wineries of the Region + 5 Black Stars"*

Halliday Wine Companion '21, '23

Bellbrae Estate Winery is located on a beautiful section of rolling hills, five minutes from world famous Bells Beach. Originally planted to grapes 150 years ago by Swiss settlers, the Geelong region was decimated by Phylloxera in the 1870's. More recently, the wonderful climate and enticing north facing slopes led Bellbrae Estate to plant the first vineyards here for over 100 years – with founder Richard MacDougall's swiss heritage, things have really come full circle.

[www.bellbraestate.com.au](http://www.bellbraestate.com.au)

	\$ LUC	PACK	NOTES
v ● 2021 'Southside' Sauvignon Blanc	19.83	6 pk	<i>Due January 2024</i>
v ● 2021 'Boobs' Chardonnay	24.40	6 pk	<i>92pts, Halliday Wine Companion</i>
● 2022 'Bird Rock' Pinot Noir	27.25	6 pk	<i>Due January 2024</i>
● 2021 'Bells' Syrah	27.25	6 pk	<i>96pts, Halliday Wine Companion</i>

The Surf Coast sub region enjoys a maritime influence that reduces the risk of spring frosts and provides even temperatures during ripening – conditions allowing for elegant wines that retain their natural acidity.

Winemaker & Viticulturalist David Crawford joined Bellbrae in 2011 bringing with him 30+ years experience in Rutherglen, Western Australia and France. Initially tasked with bringing the winemaking in house, he has since focused on overhauling the vineyards aiming to both improve yield and quality across the 5 varieties grown and setting it up for premium small batch winemaking. His most recent project, The Bellbrae range, is made from estate grown fruit, using traditional methods of whole bunch processing and an oak regime that enhances the differing aspects of the vineyards. David's philosophy is to let the grapes speak for themselves and be Bellbrae Estates custodian from vineyard to bottle.

*2021 'Boobs' Chardonnay - 92 points*

"Whole-bunch pressed with fermentation in tank before transfer to new and one-year-old French barrels. A full and bright green gold. Melon, nectarine and lemon curd scents with a little oak-derived vanillin and grilled cashew. Ripe and textured on the palate, there's a fine bead of acidity coursing through, giving the wine good overall balance and length" *Philip Rich, Halliday Wine Companion*

*2021 'Bells' Syrah - 96 points*

"One-week extended skin contact and matured in a mix of new and older French oak for 12 months. Deep ruby red. Displays blue and black fruits with allspice, licorice and violets. There's a lot going on! Just as good on the medium-bodied, seamless and long palate. I like the small amount of reduction and you know, as good as this is now, it's also built to last."

*Philip Rich, Halliday Wine Companion*

# COONAWARRA, SOUTH AUSTRALIA / EST. 1950

Brand's Laira is an iconic winery, nestled in the heart of the famed 'terra rossa' strip of Coonawarra, South Australia. Steeped in heritage with a wealth of old vine vineyards dating back to 1893, Brand's Laira offers a range of opulent and richly flavoured premium wines. Established by Eric Brand in 1950, Eric originally worked as a 'blocker' selling grapes until 1966 when they produced their first vintage under the Brand's Laira label. Now under the Casella Family Brands umbrella, the wines are made by up and coming winemaker Brooke Blair.

*"Top Wineries of Australia"*

Huon Hooke, The Real Review '21, '22

-

*"Best Wineries of the Regions" + "5 red stars"*

Halliday Wine Companion '21

With a winemaking philosophy that focuses on sourcing the best fruit possible, the Brand's Laira wines are classically Coonawarra in nature, combining the powerful influence of the rich red soils of the 'terra rossa' with skilled winemaking to create world renowned wines. Each range of Brand's Laira wine exhibits a shared standard of excellence and a distinctly Coonawarra style. Casella Family Brands are now the proud custodians of this iconic Australian winery, and are dedicated to its long-term commitment to producing world class wines.

*2016 One Seven One Cabernet - 95 points*

"High quality Coonawarra cabernet at the helm. Deep colour; intense blackcurrant and mulberry fruit and firm but not aggressive tannins. Oak is not mentioned in the dispatches, but is present in what is a high quality wine."

*James Halliday, Halliday Wine Companion*

• Terra Rossa soil profile, red clay rich in iron oxide over limestone

# LANGHORNE CREEK, SOUTH AUSTRALIA / EST. 2006

Greg Follett of Lake Breeze Wines created Bull Ant, a great range of approachable, drink-now wines, using fruit from the Follett family vineyard. Greg and his family have been growing grapes in on this site in Langhorne Creek for 130 years. The playful label was inspired by the bull ants which are known to harass vineyard workers. Langhorne Creek is renowned for its full-bodied red wines and well balanced, fruit driven Chardonnay. The Bull Ant range over-delivers, possessing vibrant fruit flavours with palate richness & offer great value.

[www.lakebreeze.com.au](http://www.lakebreeze.com.au)

	\$ LUC	PACK	NOTES
v ● 2023 Chardonnay	10.75	12 pk	<i>Due November</i>
v ● 2020 Cabernet Merlot	10.75	12 pk	<i>90pts, Halliday Wine Companion</i>
v ● 2021 Shiraz	10.75	12 pk	<i>90pts, HWC + Gold, Royal Queensland WS</i>

The region benefits from a cool maritime climate, allowing long slow ripening and intensely flavoured fruit. A minimal intervention approach is taken with all of the wines, with most receiving no filtration or fining at all. With the small amount of fining undertaken, they have a commitment to avoid using any animal-based fining agents. All wines produced by Lake Breeze, including the Bull Ant label, are vegan friendly.

### *2020 Cabernet Merlot - 90 points*

"This has a strong crimson-purple hue; open fermented and on skins for 7-10 days. Matured for 12 months in used barrels with a small percentage of new oak blended in. Typical Bull Ant depth and power, with black fruits dominant. Priced to sell quickly."

*James Halliday, Halliday Wine Companion*

"Greg Follett is one of the unsung heroes of Australian wine. He and his family have been quietly making sensational reds in one of our less fashionable regions for many years."

*Huon Hook, Gourmet Traveller Wine*

• The Bullant & Lake Breeze flooded vineyards

John Casella is from a family of Italian winemakers dating back to 1820. His father and winery founder Filippo Casella's Sicilian upbringing amongst age-old vines instilled in him a dream of one day creating his very own wines. In homage to Filippo and Maria's desire to give back to the places the family are proud to call home, there's a spirit of generosity that remains with the family today and is at the heart of Casella Family Wines.

**BAROSSA, MCLAREN VALE, COONAWARRA + LIMESTONE COAST  
SOUTH AUSTRALIA / EST. 1969**

LIMITED RELEASE RANGE	\$ LUC	PACK	NOTES
● 2013 Limited Release Shiraz	25.80	6 pk	3 Gold Medals
● 2015 Limited Release Cabernet Sauvignon	25.80	6 pk	2018 Coming Soon
1919 RANGE			
● 2013 1919 Shiraz – McLaren Vale	58.05	6 pk	5 Gold Medals, 93pts Halliday
● 2007 1919 Cabernet Sauvignon	58.05	6 pk	Museum Release
● 2013 1919 Cabernet Sauvignon	58.05	6 pk	94pts - Halliday Wine Companion

The Limited Release wines celebrate the remarkable landscapes and exceptional fruit of South Australia's most outstanding regions. The fruit is sourced from the family's best sites producing full-bodied wines with distinct varietal character, balanced by velvety tannins and oak. 1919 has strong sentimental ties to the family as it is named after the year the first vines were planted. The 1919 range is only released in exceptional years when carefully selected parcels of fruit produce outstanding wines that express true regional and varietal character.

*2013 '1919' Shiraz - 93 points*

"Hailing from McLaren Vale, this boasts a sash of dried herb and anise, shaping a mid-palate of dark cherry, damson plum and pastille. The tannins are nicely managed, massaging the edges, while the acidity is bright rather than obtuse. A good drink with a forceful vinous pulse."

*Ned Goodwin MW, Halliday Wine Companion*

*2013 '1919' Cabernet - 94 points*

"This is cabernet with a strong accent on a stream of Ribena-like black currant notes streaming across a plush midriff. The spearmint, strewn verdant herb and bay-leaf soused tannins, al dente and fine-grained across the finish suggesting a deft extraction regime & sensible use of oak"

*Ned Goodwin MW, Halliday Wine Companion*

• Managing Director John Casella

Winemaker Elise Bonon completed vintages spanning some of the premier wine regions of France including Medoc, Saint-Émilion and Cotes du Rhone before graduating with a Master of Winemaking & Viticulture from the University of Montpellier (France). Curious to travel the world and pursuing her passion, she gained experience in California at the prestigious Napa Valley before signing up for a vintage in Australia in 2017. The rest is history.

• Old dairy amidst the vines.

**Pinot Grigio** – Pear, apple and sassy spicy notes steer this lively, refreshing palate. Impressive texture throughout and finishing fresh, crisp and clean.

**Chardonnay** – Lovely fresh white peach and lime aromas. The elegant palate abounds with notations of ripe stone fruit, butter and hints of citrus. A delicate textural persona pays homage to nurturing in aged French oak.

**Pinot Noir** – Pinot Noir and cool climate terroir are a match made in heaven. Fragrant strawberry, cherry and spice notes partner soft supple tannins. A graceful, lightly structured Pinot Noir with rich fruit and a mellow, lingering finish.

**Shiraz** – Fresh, fragrant and fruit driven. . Dark red fruits lift from the glass alongside hints of pepper and spice. The palate displays great depth and balance with fine grained tannins and a long savoury finish.

The Checkerboard range consists of three wines, a Sauvignon Blanc, Pinot Gris and a Shiraz, sourced from premium vineyards in South Eastern Australia and represent excellent value for the on-premise market. Vibrant, easy-drinking Australian wines.

Like only the best thoroughbred families, we believe the Darley Sparkling will stand the test of time. The Darley Arabian (pictured on the front label), purchased by Thomas Darley in Aleppo, Syria and shipped back to England, began stud duties in 1704. Ninety-five percent of all thoroughbred racehorses today trace back to this one stallion. The vineyards and winemakers sourced for Darley Sparkling deliver on the expectation their pedigree suggests.

## SOUTH EASTERN AUSTRALIA / EST. 2013

	\$ LUC	PACK	NOTES
● 2021 Checkerboard Sauvignon Blanc	8.06	12 pk	<i>On Premise</i>
● 2021 Checkerboard Pinot Gris	8.06	12 pk	<i>On Premise</i>
● 2021 Checkerboard Shiraz	8.06	12 pk	<i>On Premise</i>

Checkerboard wines are perfect house wine options for on-premise and functions customers. These wines offer value for money for both the consumer and licensee. The wines are fruit-driven, well balanced and uncomplicated. They would suit a wide range of food styles as well as being an easy-drinking, pleasant style to drink on their own.

## COAL RIVER, TASMANIA / EST. 19

First planted in 1973, Domaine A's Stoney Vineyard is the oldest in the historic Coal River, Southern Tasmania. Founded on a grand Cabernet plan: to produce big Bordeaux-inspired reds, Domaine A is the Antipodean answer to the great estates of France and Germany. It is the perfect spot to produce fruit with intensity and subtlety, to rival the storied vineyards of Europe. Their philosophy is simple; let the fruit do the talking and don't be afraid to wait. Sometimes the best thing you can do is to take your time.

[www.domaine-a.com.au](http://www.domaine-a.com.au)

	\$ LUC	PACK	NOTES

● 2018 Domaine A Merlot	59.13	6 pk	<i>Limited</i>
● 2017 Domaine A 'Petit A' (Cabernet, Merlot, Petit Verdot)	37.08	6 pk	<i>92pts, Halliday Wine Companion</i>
v ● 2013 Domaine A Cabernet Sauvignon	76.33	6 pk	

Winemaker Conor van der Reest's approach to winemaking is unyielding and without compromise. If the fruit isn't perfect, the wine doesn't get made. In this age of instant gratification, Domaine A only release wines at their best. A hands on approach is applied throughout the vineyard and wine making process. From bud burst to bottles leaving the winery, precision and care shape their process.

The Coal River has a temperate maritime climate and long hours of sunshine, that allows for slow-ripening and aromatic fruit. Each vintage is a reflection of this extraordinary, elemental terroir: climate and soil, founded on 200-million-year-old Jurassic dolerite. These wines have distinct personalities, not constrained by region or varietal typicity.

# HELEN'S HILL

SINGLE VINEYARD YARRA VALLEY

*"Runner-up Winery of the Year 2022" + "5 red stars"*

Halliday Wine Companion 2015-2024

Helen's Hill celebrates passion, persistence and the genuine connection between people & land. Each wine is hand-crafted, undergoing an arduous selection process before making it into bottle. Great wine is made in the vineyard, as such only top quality parcels of fruit from certain rows of the vineyard, are chosen to be included in Helen's Hill. These parcels are hand-picked and fermented in French oak barrels. Prior to bottling, each barrel is tasted and ranked with only the best chosen for the Helen's Hill range.

### *"Helen's Hill - Top Wineries of Australia"*

The Real Review, '18, '19, '20, '22

The Yarra Valley was Victoria's first wine growing region with a history going back 170 years. It is divided into two sub regions. Valley floor and Upper Yarra. The Valley Floor includes Coldstream where the Helen's Hill & Ingram Road vineyard is located. Slightly warmer than its counterpart, vineyards on the valley floor are planted on rolling hills of predominantly sandy clay-loam soils with an elevation between 50 to 80 metres above sea level.

• Helen's Hill & Ingram Road vineyard in the Coldstream Hills.

• Vignerons Andrew, Allan & Robyn in the Coldstream Hills Vineyard.

### *2021 Pinot Noir - 91 points*

"An entry point wine that's taken full advantage of a once-in-a-decade (if not longer) vintage. It has very good varietal expression and length in a red fruit spectrum. Its ace in the hole is the texture of the finish and aftertaste."

*James Halliday, Halliday Wine Companion*

As custodian of these magnificent vines, Duncan's approach has been to allow more of the fruit characters to shine by changing the oak ratio from American to French and favoring bigger formats to lessen the oak impact, while not losing sight of why these wines are adored the world over.

**McLaren Vale** is one of the most geologically diverse wine regions in the world with more than 40 unique geological units, ranging in age from 10,000 years to 650 million years. The South Maslin Sands at Kay Brothers consists of sands, silts, clays and gravels deposited as the sea advanced over the land about 50 million years.

• Head wineaker Duncan Kennedy and the Kay Brothers '23 vintage team

## MCLAREN VALE, SOUTH AUSTRALIA / EST. 1890

Kay Brothers use a traditional method of pressing their wines. Their Celestial & Coq basket press was installed in 1928 vintage to replace older hydraulic and manual screw presses that were unreliable. For winemaker Duncan, it is still the preferred of their two presses. The basket press reflects Kay Brothers traditional winemaking philosophy. The grapes are pressed gently, resulting in softer tannins and cleaner juice – as the juice is filtered through the mass of pulp while draining through the basket. Whilst this process is labour intensive and time consuming, Kay Brothers are confident it translates to superior quality.

*2019 'Griffon's Key' Grenache - 95 points*

"From a favourable parcel in the Amery Vineyard. A fine example of how the best suitors of grenache in the Vale marry a chiaroscuro of weightlessness with a rich core of fruit intensity. A steer of sandy tannins, a riff of briar and a long pull by the region's maritime freshness. Textbook. Poached strawberry, anise, kirsch, orange peel, cranberry, bergamot & myriad florals. But the tannins are what make me swoon.

*Ned Goodwin, Halliday Wine Companion*

**SCAN TO GO TO:**

[www.santewines.com.au/brands/kay-brothers/](http://www.santewines.com.au/brands/kay-brothers/)

**Block 6 Shiraz** – These enduring vines were planted by Bert and Fred Kay in 1892. The 2017 vintage marked their 125th and signifies a remarkably important date for the Kay family as 'Block 6' Shiraz positioned itself as one of the iconic Shiraz of Australia.

*20120 'Block 6' Shiraz - 95 points*

This release represents a profound change at this address from a culture of rich wines hewn of old vines and traditional winemaking, at least in an Australian sense, to one of earlier harvesting and a grasp for freshness. Sure, the ancient vines remain. Yet despite the palpable intensity and drive, there is a twiggy dryness, a paucity of amplitude and a generosity that is synergistic with an early harvest window. Olive and dark fruits, sure. Time may bestow further beauty.

• The view from the Kay Brother's cellar door

• Celestin Coq & Compagnie Basket Press in use since 1928

• 3rd generation Kay Brother Colin, tasting wine from barrel with Duncan.

# LANGHORNE CREEK, SOUTH AUSTRALIA / EST. 1986

The Follett family have been grape growers in Langhorne Creek for over 130 years and winemakers for 35 years and have rapidly built an enviable reputation for consistently producing outstanding wines. Lake Breeze selects only the best 40% of fruit from the older vines on the property to create wines with amazing depth of flavour. All wines produced by Lake Breeze, including the Bull Ant label, are vegan friendly. At Lake Breeze a minimal intervention approach is taken with all of the wines, with most receiving no filtration or fining at all.

SCAN TO GO TO:

[www.santewines.com.au/brands/lake-breeze/](http://www.santewines.com.au/brands/lake-breeze/)

As part of the fourth generation to work on the family property, winemaker Greg has notched up 33 vintages and an impressive array of Trophies and awards at Lake Breeze. Most notable including the Max Schubert Trophy, Best Red at the Adelaide Wine Show (twice) and producer of the year at the Langhorne Creek Wine Show on seven occasions. Their most recent achievement was being named the Best Value Winery of the Year in the 2022 Halliday Wine Companion.

"The Follett family is privileged to a deep history; the family has been tending its vines on the shores of Lake Alexandrina since the 1880s and picking up hundreds of trophies and gold medals in major wine shows across the country for decades. They are fabulous ambassadors for an oft-neglected region and embody the heart and soul that we all love about Australian winemaking. It's a bonus that their wines also happen to represent some of the best value in the country."

Tony Love and Tyson Stelzer, Halliday Wine Companion 2022

## LANGHORNE CREEK, SOUTH AUSTRALIA / EST. 1986

The Lake Breeze winery lies on the banks of the Bremer River, surrounded by majestic river red gums, overlooking the 90 hectare Follett family vineyard. The old vines are dry grown and rely on the traditional winter flooding of the Bremer River, which emanates from rainfall in the Mount Lofty Ranges. The flooding is essential to carry the vines through the dry summer months as Langhorne Creek only receives on average 350mm of rain. Flooding is carried out by diverting the winter flow of the Bremer River, through a system of floodgates and banks, which divert water onto the vineyards. It remains for one or two days, until the soil is saturated and is then released onto the next vineyard.

**Langhorne Creek** has a cool maritime climate with a mean January temperature of 19.9°C and 1520 heat degree days. It is significantly cooler than McLaren Vale (21.7°C, 1910 HDD) and the Barossa (21.4°C, 1710 HDD). This is partly due the "Lake Doctor", a southerly wind coming off Lake Alexandrina at the end of the Murray Darling River system. The wind carries its cooling effect across the lake directly from the Antarctic and Southern ocean. The influence it has on the climate is dramatic; it moderates summer heat and mitigates winter frosts. Langhorne Creek's fertile soils are predominantly deep, alluvial sandy loams, perfect for enhancing vine vigour and growing high quality red varieties.

### *2021 Section 54 Shiraz - 95 points & Special Value*

"The grapes come from a mix of 50-year-old vines ex the flood plain and lighter soils away from the plain; open fermented, 9 days on skins, matured for 15 months in French barriques (25% new). The '21 vintage has imparted an extra depth to the palate with its plum and cherry fruit engendering an uncommon elegance and opulence. A lot of wine for the price."

## BAROSSA VALLEY, SOUTH AUSTRALIA / EST. 1997

'5 Black Stars" + 'Best Wineries of the Region"  
Halliday Wine Companion '21 '22 '23

JJ Hahn is born of six generations of Barossa Valley heritage. Maria and Johann Christian Hahn arrived in the Barossa Valley in 1845, and like many early Barossa settlers were of Silesian-German descent. Early settlers staked out the best of the valley's farmland, and Maria and Johann chose a premium block for their vineyard. This range of premium Barossa reds includes the '1890's Vineyard' Shiraz made from low yielding ancestor vines planted in the sub-region of Vine Vale 130 years ago.

Second generation Barossa winemaker, Rolf Binder, first began producing wines under the JJ Hahn brand in 1997 as a joint venture with sixth generation Barossa growers James and Jacqui Hahn. The wines are made from various subregions of the Barossa and only made during the best vintages. This has given JJ Hahn a well-deserved reputation for quality as well as excellent value. In 2023, Rolf has handed over the reigns to Thomas White (who has made the wines since 2021) to run the business with Rolf overseeing the vintage winemaking and blending of the wines. Inspired by old-school winemaking techniques while putting his own stamp on it, Tom gives a nod to tradition while working with the fruit to create something uniquely his own.

Lerida Estate produces world class Pinot Noir, made from low yielding vines with elegant, secondary flavours using wild yeast and minimal intervention.

"The wines (three shirazes) were, without exception, pure, powerful, structured and the very picture of fresh cool climate elegance. If you haven't tasted the wines from this little producer yet, they come highly recommended"

*Erin Larkin, The Wine Advocate*

*2019 'Cullerin' Syrah*

"Deep purple core and youthful brightness in the rim. Blueberry, iodine and violet hints on the nose. Very pretty palate, violets and red berries up high whilst a cured-meat note sits with wood spices underneath. Acidity keeps those high-notes singing long and then a fine swoosh of tannins cleans out and persists long into the finish."

*Stuart Knox, The Real Review*

• Vineyards at the foot of the Cullerin Range, on the edge of Lake George

Crafted by renowned Australian winemaker Darren Burke, Leura Park Estate specialises in Chardonnay, Pinot Noir and Shiraz as well as the vineyard's acclaimed 25 d'Gris Pinot Gris. The impressive stable also includes award winning Sparklings – Blanc de Blanc and Pinot Chardonnay Rose'. The Riesling stands tall against the best in Australia – it's dry, crunchy and refreshing with a perfect residual sugar component. Vibrant Sauvignon Blanc, a delicately complex Rose' and a Cabernet Sauvignon which defies cool climate logic to deliver a magical medium bodied experience complete the stable.

# LIGHTFOOT

*"Best Wineries of the Regions" + "5 Red Stars"*

Halliday Wine Companion 2020 – 2023

Lightfoot Wines are one of the original growers and winemakers in Gippsland, first planting vines back in 1995. Brothers Rob & Tom Lightfoot lead a progressive team in the vineyard and winery, crafting wines that not only speak of their site and the season, but also an enthusiasm to make a diversity of styles. The landscape of the Myrtle Point Vineyard is unique. A finger of limestone juts out of the foothills of the Great Dividing Range and forms a plateau above the Mitchell River valley.

Located in the far east of the state between the coast and the Great Dividing Range, the vineyard is fortunate to sit in something of a rain shadow, allowing fruit to ripen with less pressure from Gippsland's high rainfall. The Terra Rossa over Limestone soil is unique in the region and at 60–80 meters ASL the site gets the full advantage of the cool coastal location. Lightfoot Wines is a standard-bearer for the region, making wines of character, drinkability, and a clear Gippsland identity.

*2018 'Cliff Block' Pinot Noir- 95 points*

"So much personality and pizzazz it could lead a dance party. Upfront, macerated cherries and baking spices, oak spices, too, wafts of autumn leaves, chinotto and menthol. Full bodied, with dense fruit across an expansive palate where tannins have in-built texture and firmness. There's a slightly bitter charred radicchio flavour to the finish, which adds to this complex wine."

*Jane Faulkner, Halliday Wine Companion*

LONGBOARD

*"Best Wineries of the Region + 5 Black Stars"*

Halliday Wine Companion '21 '23

Longboard Wines are produced by Bellbrae Estate Winery which was established in 1999 on a beautiful section of rolling hills, five minutes from world famous Bells Beach, in the Surf Coast region of Victoria. The Longboard range of wines are a true expression of the region with their exuberant flavours and are a great match for the local produce. Winemaker David Crawford sources most of the fruit from the estate vineyard, with the exception being Pinot Gris, which is sourced from a premium grower in Bendigo.

## COAL RIVER VALLEY, TASMANIA / EST. 2017

	\$ LUC	PACK	NOTES
v ● 2022 Estate Riesling (8g/L RS)	19.47	12 pk	95pts, Halliday, 2023 Due October
v ● 2023 Estate Pinot Noir	23.34	12 pk	Due October, Limited

• Owner & Viticulturalist, Mark McNamara

• The north-south row orientation Riesling vineyard.

Mild afternoon temperatures and cool nights provide a long ripening period. The vineyard is managed using organic principals – no herbicides are used. The wines are made by award winning winemaker Anna Pooley at Pooley Wines.

**Estate Riesling** – Three clones of Riesling are planted on north-south rows. The grapes were crushed, pressed and fermented in stainless steel then left on lees to add texture and weight. Delicate citrus floral aromas lead on to a palate with a full mouthfeel of sweet pear, lime and lively acidity

**Estate Pinot Noir** Nine clones of Pinot Noir are planted on wide north-south rows. The grapes were destemmed, small batch open fermented and hand plunged twice a day. After 10 days the wine was drained and the must basket pressed off to tank where it underwent a malolactic fermentation. Aged for 10 months in a mix of 30% new and 70% four and five-year-old French puncheons.

*2022 Estate Riesling- 95 points*

"A scintillating Coal River Valley riesling that shows characters of pristine lemon, lime and green apple fruits coiled around an exoskeleton of crystalline acidity. Focused and precise, it has impressive velocity and clarity on the palate with the lightest phenolic tweak of texture. It races off with a trail of white flowers, crushed stone, marzipan and lemon zest. It's a beauty."

"Top Wineries of Australia"

Huon Hook, The Real Review '21, '22, '23

### So, what makes a wine organic?

“Put simply, organic wine is wine made from grapes that have been grown organically. As with organic farming of other fruits, vegetables and animal products, organic vineyards use natural fertilisers and pest control instead of those that are synthetic or man-made. Organic vineyards also place a huge emphasis on farming in ways that minimise impact on the land, ensuring the natural balance of the soil and surrounding environment stays intact. No artificial chemicals or genetically modified organisms can be used during the winemaking process, and if other components are added, such as yeasts or proteins, these must also have been organically produced.

Terms like natural wine, preservative-free and vegan are often used in the same breath as organic. While organic wines can be all of these things, they aren't always. It's important to know that wines can be organic and still contain animal products, which are used in trace amounts to refine and stabilise wine, as well as preservatives. Each country has different rules about what constitutes organic; in Australia, organic wines tend to have a third or a quarter of the SO2 of non-organic wines, which makes a noticeable difference for most drinkers.

To gain organic certification in Australia, wineries must undergo rigorous testing and inspections of their entire grape growing and winemaking process, from vineyard to bottle. Only wineries that have successfully gained certification, and continue to meet the requirements each year, are permitted to display an official certified logo”

- Matthew Barry

Moorilla is the second oldest vineyard in Tasmania. Founded by Claudio Alcorso, it was one of the most important wineries in helping to establish other wineries in the state. David Walsh bought Moorilla on a whim in 1995 after it went broke, more interested in the architecturally designed Roy Grounds round house on site not the wine. It has however, ended up being one of the defining decisions of his life. Magnificently situated on a mini-isthmus reaching into the Derwent River, Moorilla is now the entrance to MONA, David's esteemed and wildly eccentric ancient and contemporary art museum.

[www.moorilla.com.au](http://www.moorilla.com.au)

## TAMAR RIVER AND DERWENT RIVER, TASMANIA / EST. 1956

MOORILLA - MUSE	\$ LUC	PACK	NOTES
● 2018 Muse Extra Brut	38.70	6 pk	
● 2018 Muse Extra Brut Rosé	38.70	6 pk	
● 2019 Muse Sauvignon	24.19	12 pk	
● 2019 Muse Chardonnay	39.78	12 pk	<i>2020 Due February</i>

● 2016 Muse Cabernet	39.78	12 pk	

Moorilla is made by Conor van der Reest, plucky Canadian and 'wild child' of the wine world. Lured south by David, he was given free reign with the instruction to 'just make stupendous wine', and so he did. Conor favours structural wines with new-world fruit and old-world complexity. His wines are crafted to reveal Moorilla's terroir, from its icy river breezes to its ancient soils to its long-ripening fruit—clarified by the hand of the winemaker and captured in liquid-form. Drink Moorilla and you drink the vineyard. Fruit is all estate grown, sourced either from the Moorilla vineyard or their St Matthias Vineyard in the Tamar Valley.

• Moorilla winemaker Conor van der Reest

Muse is a wine of the old world made in the new—a Tasmanian expression of classic European winemaking. These wines exude texture, integration and complexity. Savour their fine balance and finesse with delicate food. They're great in their youth, and excellent with bottle maturity

The Muse Extra Brut and Extra Brut Rose both spend at least 4 years on lees. The Extra Brut Rose has a portion of wild-yeast ferment which adds complexity. The nose is lush and candied, with suggestions of strawberry, rhubarb and citrus. On the palate it's light and creamy, with soft tannin structure and lovely acid carrying more rhubarb, blood orange and ripe red cherries towards a long, rounded finish.

The Muse Syrah is pretty, pale ruby in the glass (with violet tinges at the edge), this is a juicy, finely-structured vintage, ripe with berry and classic shiraz notes (white pepper, saddle-leather, mulberries and faint spearmint). The palate is medium-weight, with delicate, toasted oak-spice over savoury hints (tomato, olive, salted liquorice) and a round, warm back-palate.

Moorilla is the second oldest vineyard in Tasmania. Founded by Claudio Alcorso, it was one of the most important wineries in helping to establish other wineries in the state. David Walsh bought Moorilla on a whim in 1995 after it went broke, more interested in the architecturally designed Roy Grounds round house on site not the wine. It has however, ended up being one of the defining decisions of his life. Magnificently situated on a mini-isthmus reaching into the Derwent River, Moorilla is now the entrance to MONA, David's esteemed and wildly eccentric ancient and contemporary art museum.

### MOORILLA - CLOTH LABEL

● 2009 Cloth Label Late Disgorged Sparkling Chardonnay Pinot Noir	93.53	6 pk	<i>Very limited</i>
● 2017 Cloth Label White	52.14	12 pk	<i>94pts, The Wine Front, 95pts Halliday WC</i>
● 2017 Cloth Label Red	52.14	12 pk	<i>94pts, The Wine Front, 95pts Halliday WC</i>

Praxis is the frontier. It's contemporary and bold, a suite of experiments in new-world winemaking. These wines are fresh and fruit-driven, destined for drinking young with intensely flavoured dishes or at raucous social occasions.

The Praxis Pinot Noir, hewing closer to the 'serious' end of the pinot noir spectrum thanks to a very low-yielding vintage. The nose is all luscious red fruit, strawberries, rhubarb, redcurrants and maraschino cherries, while the palate brings in some more savoury, peppery notes and some earthy, dusty tannins.

Decades in the making, our Cloth Label Series captures Moorilla's terroir in three striking vineyard blends. Cloth Label is our raison d'être, clarified and distilled into a suite of wines that are daring, artisanal, complex and luxurious. The Cloth Label White is a blend of every white variety grown at our St. Matthias vineyard. Fermented on skins, giving tannin, palate richness and aromatic complexity, this is an utterly unique wine, with a floral, luxuriously spiced nose and a full, rich palate of crisp white fruit and citrus.

#### 2017 Cloth Label Red - 94 points

"It's a wild wine.. herbal, seeped in Mezcal, slipped with graphite and flooded with curranty fruit. Smoke, herbs, twigs, walnuts and spice, with emphasis on the smoke, though it's not bushfire smoke. It's just all going on, a riot, but a velvety one, and a tannic one, and a lengthy one."

*Campbell Mattinson, The Wine Front*

# THE PETER LEHMANN STORY

The late 1970s were difficult times for the Barossa wine grape growing community as the region was hit with a severe grape surplus. Companies refused to buy grapes and honour contracts, and Peter Lehmann knew this would destroy the livelihoods of the 140 family growers.

In a courageous bid to support his community of growers, Peter took out a loan, assembled equipment and built a small winery to process their grapes. The winery was called Masterson of the Barossa, in a nod to the famous gambler, Skye Masterson from the musical, Guys and Dolls.

The wine from the first vintage in 1980 was called 'The Futures' in a nod to the commitment Peter made to paying the growers once he had sold the wine. This arrangement was sealed with a handshake and Peter's word was his bond. True to his promise, when the money started coming in Peter made sure to pay his growers first.

Led by Peter, the Barossa community pulled together during the tough times, not just to make great wine but to preserve the future of the land and the Barossa region. Today these longstanding relationships with the same community of family growers gives the Peter Lehmann winemakers unrivalled access to the very best grapes across the length and breadth of the Barossa.

Although Peter is no longer with us, his legend lives on through Peter Lehmann Wines.

# RIVERLAND, SOUTH AUSTRALIA / EST. 2003

## RICCA TERRA

In 2003 Ashley and Holly Ratcliff purchased a small 8Ha vineyard in the Riverland, South Australia. The vineyard was called Ricca Terra (Italian for Rich Earth). The soils found throughout the vineyard are very fertile red earth over limestone. Ricca Terra's core philosophy is to align climatic conditions with alternate varieties to allow for sustainable farming and crafting of premium quality, vegan friendly wines.

## RIVERLAND, SOUTH AUSTRALIA / EST. 2003

Ashley started his career in the wine industry three decades ago. In the early 2000's, keen to start his own venture but deterred by high prices in his home region of the Barossa, Ashley and wife Holly turned to the Riverland, a vast region where the wines are hugely underrated. In 2003 they purchased their vineyard, originally planted to Chardonnay, Sultana and Merlot. Their main focus has been to plant grape varieties appropriately suited to Australia's warming and drying climatic conditions. Their second intent, was to manage their vineyards in a manner that would produce high quality wines, eliminating machine pruning and harvesting in many of their vineyards, which is a common in the Riverland.

*"2022 Bronco Buster - 91 points + Special Value"*

"Blend of vermentino and fiano. It's a fruity white wine but it's done so well. Fruit salad flavours with flashes of brine, lime and hay. All the flavours march confidently, and tastily, through the palate. Much enjoyment to be had here."

## RICCA TERRA = RICH EARTH

The vision to evolve a traditionally planted vineyard into one that could adapt to extreme climatic changes goes beyond grape variety selection. The adoption of drought tolerant rootstocks, water saving mulches and new viticultural techniques and technology allow Ricca Terra to grow grapes and make premium wine with minimal inputs and a limited environmental footprint. Today, Ricca Terra's spread of vineyards is in excess of 70Ha. They have over 30 different varieties planted and are one of the largest producers of climate adaptive grape varieties in South Australia.

Ashley Ratcliff has always been passionate about the wine industry. His vision to create a sustainable future for Ricca Terra has resulted in him winning many accolades including Innovative Vineyard of the Year (Young Guns of Wine) Gourmet Traveller Viticulturist of the Year, Riverland Winemaker of the Year & Best Wineries of the Region by James Halliday.

The 'Soldier's Land' range is a project close to Ashley's heart. These wines are made from vineyards established during the Soldiers Settlement Scheme post WW1 & WW2. He has saved these ancient vines and donated a portion of proceeds from the sale of these wines to the RSL.

"We're challenging the norm in a region known for bulk production. And we are showing that the Riverland is a premium winegrowing region." – Ashley

The Oscar's Folly story is in the name. Growing up surrounded by vines and learning the way of mother nature, young Oscar always had a nagging suspicion that he could do this 'wine thing' different. Do it better. His Dad disagreed. "These are the way things have always been done. Why change something that's been working for so many years? It's folly, your head is up in the stars again, son."

Halliday Wine Companion 2015 – 2023

-

*Folly - "An act of sheer folly"*

Noun: Lack of good sense, foolishness

Oscar stuck to his guns, but took onboard a few things his old man told him; using some old techniques, blending them with some new. Oscar's Folly is the achievement of a boyhood dream. Quality wine with a sustainable edge.

**Pinot Grigio** – A true pinot grigio. An inviting bouquet of fresh apple and flower petals is complimented perfectly by generous apple and nashii pear fruit characters. This wine is designed for easy drinking and the balance between fruit character and freshness.

**Chardonnay** – Subtle aromas of fresh squeezed lemon and flint. On the palate this wine displays lovely fruit characters, lemon and white peach. Lively acidity and the characteristic struck match found in Chardonnay from the cooler Yarra Valley Floor climate also play a part to provide ample structure and length to what is a decidedly fun and vibrant chardonnay.

**Pinot Noir** – Bright, light red hue with a fragrant strawberry and fresh red berry aroma. The palate is fresh, bright and textural, lively, zesty, loaded with flavour and vigor. Sweetness to start is finished off with a crisp, crunchy bitterness. This is a Pinot Noir of great balance and length.

• Fruit for Oscar's Folly is sourced from the beautiful Helen's Hill Vineyards in the Yarra Valley

# SANTA & D'SAS

## KING VALLEY, VICTORIA / EST. 2013

Established in 2013, Santa & D'Sas is a boutique winery collaboration between the Santarossa and Di Sciascio families. With a shared Italian cultural heritage, a strong passion for making wine and a great friendship, a joint venture seemed like a natural next step. The King Valley is one of Australia's most exciting emerging wine regions located in North East Victoria. Home to picturesque, unspoilt environments, the King Valley benefits from a cool climate with extremely varied terrain, that ranges from snow-capped Alps to sun baked fields.

[www.santandsas.com.au](http://www.santandsas.com.au)

	\$ LUC	PACK	NOTES
● NV Prosecco	15.05	6 pk	94pts, <i>Halliday Wine Companion</i>
● 2023 Moscato	12.90	12 pk	<i>Sparkling style, Pink</i>
● 2021 Pinot Grigio	14.51	12 pk	<i>2023 Due soon</i>
● 2019 Merlot	14.51	6 pk	

The Italian bias in the King Valley has come to see the region referred to as Victoria's 'Little Italy', and become renowned for its Prosecco, Pinot Grigio and Sangiovese wine styles as well as lesser known alternative grape varieties that are allowed to reach their full potential with imaginative winemaking. Santa & D'Sas showcases these varieties and the wines are all about finesse, elegance and structure.

### 2021 Pinot Grigio

"A real little charmer, with its light perfume and plenty of sweet spiced pear, apple and white nectarine fruit, which makes for some mighty pleasant drinking. Nicely cut on the palate by racy, juicy acidity and a lingering, upbeat finish"

*Jeni Port, Halliday Wine Companion*

### 2019 Merlot

"A floral, fresh varietal tone to this wine filled with gentle red/blackberries, plum, musk and lantana. Fits the pricepoint nicely with its easy drinkability and lighter frame."

*Jeni Port, Halliday Wine Companion*

### "NV Prosecco - 94 points + Special Value"

"Captures the effortless, bubbly energy and joie de vivre of the grape so well. Purity of expression in lemon sherbet, quince, green apple and grapefruit aromas. RS at 8.5g/L brings with it a good depth of flavour and creamy texture, with a surge of tangy acidity to close"

*Jeni Port, Halliday Wine Companion*

• Beautiful King Valley vineyards

# SPRINGS ROAD

## *Kangaroo Island*

Springs Road is a vineyard and winery on Kangaroo Island just off the coast of South Australia. Springs Road runs east/west across the northern part of KI with the vineyard being established in 1994 on a small sheep farm about 7km west of Kingscote. In 2016 Joch Bosworth and Louise Hemsley-Smith from McLaren Vale's organic Battle of Bosworth wines bought the vineyards, opening a cellar door and releasing their first KI wines under the Springs Road label at the end of 2018. The wines are hand-made and estate grown. The Springs Road label is adapted from Louis Freycinet's 1808 map of Southern Australia 'Terre Napoleon'.

v ● 2022 'Terre Napoleon' Shiraz	49.45	6 pk	

Kangaroo Island is one of the five regions that make up the Fleurieu Zone and was officially registered as a wine region by Geographic Indication in the year 2000. It is a cool-climate region with regular maritime breezes playing an important role in moderating the ample sunshine and allowing for a long, cool ripening season. The vineyard is on a special site in a very special place. It has a unique combination of relatively low rainfall, low soil fertility and a moderate maritime climate which results in low yielding vines producing highly coloured and intensely flavoured wines.

The vineyards at Springs Road are grown using organic principles, and the wines are all vegan friendly and made at the Battle of Bosworth Winery in Willunga.

• Springs Road cellar door stands sentinel on the top of a hill at the end of a long driveway off the Playford Highway

### *2018 Cabernet Shiraz - 94 points*

"You can see each of these varieties solo from the same vineyard, then this blending into a harmonious duet adds extra appeal; still full bodied, yet a more gentle, rounded style results. The 75% cabernet and mint note invite you in. The palate is complete, with the aromatics and plummy, spicy shiraz fruit, and while there's a decent tannin feel, there's a medium-bodied carry to the finish that encourages the next glass."

*Tony Love, Halliday Wine Companion*

**SCAN TO GO TO:**

*"Top Wineries of Australia"*

Huon Hooke, The Real Review 2022

Spring Seed Wines are made from organic grapes grown in the Bosworth's family vineyard, located in the premium wine region of McLaren Vale, South Australia. First planted in the early 1970s by Peter and Anthea Bosworth, the vineyards are now run by their son Joch (and partner Louise Hemsley-Smith), who began the conversion to organic viticulture in 1995. The vineyards are certified by Australian Certified Organic (ACO P/L) and all of the wines are proudly vegan friendly.

The Spring Seed Wine labels are unashamedly inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are quite remarkable. Joch and Louise chose three different flower images to adorn each one of their McLaren Vale wines, simply because they are quite lovely. Joch Bosworth also makes Battle of Bosworth wines.

*2020 Scarlet Runner Shiraz- 91 points*

"Organic certified vineyards manifest as purple fruits, dried nori, lilac, lavender and a swab of tapenade across a belt of well-applied oak, especially in lieu of the value pricing. This is a full-weighted wine of impressive fruit intensity, judicious handling and ample freshness, punching well above its weight with a real whiff of class."

Halliday Wine Companion '19, '20

SCAN TO GO TO:

[www.santewines.com.au/brands/tim-adams/](http://www.santewines.com.au/brands/tim-adams/)

**Tim Adams'** formative years were spent in South Australia's Clare Valley. As a Clare lad growing up among pioneering grape growers and winemakers, it was no surprise that in his final year of school Tim eschewed studying in favour of writing to Clare Valley wineries seeking employment. The recipient of one such letter was Mr Mick Knappstein at the Stanley Wine Company, which led to Tim securing a position as winery cellar hand in 1975. A fortuitous beginning for Tim, who found himself mentored by a revered pioneer of the modern Australian wine industry. The first release of wines under Tim Adams' own label was in September 1986, by which time Tim had left the Stanley Wine Company. 'Mr Mick' continued to encourage the young winemaker, embracing Tim as his last apprentice, a relationship that continued until his passing in 1997.

---

*"Certificate of Excellence 2018 + 2019"*

*"Top Wineries of Australia 2018 + 2019"*

Huon Hooke, The Real Review

---

**Clare Valley** has a history rich in wine with the first vineyards planted in the early 1840's. Located inland, 2 hours north of Adelaide, the long warm summer days are moderated by cooling afternoon breezes. This creates a large diurnal range perfect for ripening Riesling and Shiraz with full flavour while also retaining fresh acidity. Eleven soil types including Polish Hill's broken slate and Watervales limestone sub-soils have made this region highly regarded for producing outstanding Riesling. Young Clare Riesling shows fresh citrus fruits and apple with great depth of flavour and natural acidity. They also age beautifully, developing nutty, toasty and honey notes. To showcase aged Riesling the Tim Adams range includes a 2015 museum release.

The **Aberfeldy Shiraz** has long been synonymous with quality and represents Tim Adams flagship. Year after year, this wine continues to deliver the best that Clare Valley Shiraz has to offer. This iconic Australian Shiraz consistently collects Gold medals at the International Wine Challenge and maintains a Langtons Classification, often referred to as "Clare Valley's Grange"

---

*2018 'Aberfeldy' Shiraz - 93+ Points*

"...Throughout it showed blackberry, plum, choc-mint and toast with an earthen, toasty, coffee-ground aspect. There's also the trademark creaminess to the texture. In the end I saw very good, if rugged, length, the match of its all-round volume. I wouldn't touch this until it hits the 8-10 year mark."

*Campbell Mattinson, The Wine Front*

---

*2018 'Schaefer' Shiraz - 93 Points*

"Potent shiraz. Super rich and ripe with great power, tannin profile supporting everything. Mocha, cassis, choc-cherry and kirsch in spades, with palate and perfume in agreement on that. It drives with force and potency long into the distance. It feels very serious and is done well in that regard."

*Mike Bennie, Halliday Wine Companion*

---

*2021 'Skilly Ridge' Riesling - 95 Points*

"This is an interesting wine: it has a preserved citrus austerity initially, but the wine quickly morphs into a toasty, rounded, opulent space which is littered with cheesecloth, baked pie crust, Golden Delicious apples and nashi pear. The length of flavour endures long after the wine is gone, making for a rather sumptuous drinking experience. I keep expecting the toastiness to lose its form through the finish, but it doesn't. It's very impressive."

*Erin Larkin, Halliday Wine Companion*

• Tim, Pam and their beloved Labradoodles in the vineyard

• The iconic Aberfeldy Shiraz – available giftboxed & in Magnums

"Langhorne Creek Winery of the Year"

Melbourne International Wine Competition 2020 + 2021

Fun, Cheeky, Sassy, Adventurous... Introducing Zonte's Footstep, a proudly independent, innovative and free-spirited wine business. They produce wines just like them: lively, bold and full of spirit. The grapes are adventurous in style and sourced from the classic regions of McLaren Vale, Barossa, Langhorne Creek and the Adelaide Hills. Zonte's believe in inclusion not exclusion, from the 2020 vintage, all of their wines are proudly vegan friendly.

**Zonte's Footstep** take pride in their wines, from the ground up to the moment they are opened and consumed. Everything is handled with care to offer authentic, high-quality wine – the most expressive they can put in bottle. Co-Owners Anna Fisher & Brad Rey (Brad is also the winemaker) are passionate about the true character derived from the vineyards the wines come from and the close interaction with Mother Nature which they believe tells the true story of a wine.

## THE REGIONS:

**McLaren Vale** As an expression of a maritime climate, on our own little slice of heaven, our beloved McLaren Vale grape factory produces Shiraz with a signature milk chocolate core – their wonky take on decadent and lush.

**Langhorne Creek** Have you noticed Langhorne Creek being spoken of as one of the most underrated of South Australia's wine making regions, fertile soils, ample access to water, great weather and expansive flat plains are ideal for producing reliably delicious wines.

**Fleurieu Peninsula** This GI extends from Kangaroo Island in the west as far north as Flagstaff Hill on the west side of the Mount Lofty Ranges and to as far south as Langhorne Creek on the east side of the Mount Lofty Ranges.

**Adelaide Hills** The cool climate and high altitude of this region make it well suited to growing crisp white wines and the diva that is Pinot Noir.

**Barossa** Zonte's only wine from this famous region is the Baron Von Nemesis Shiraz. Cool and intelligent, Germanic-heritage abounds.

### 2022 Violet Beauregard Malbec - 95 Points

"This is an impressive picture of the indissoluble link between the fruit of malbec and Langhorne Creek. Open-fermented and pressed to new and used French and American oak for 12 months. The ideal outcome of 13.5% alcohol invests the wine with a vibrant freshness running through the palate of blueberries and plums."

*James Halliday, Halliday Wine Companion*

### 2022 'Scarlet Ladybird' Rosé- 92 Points

"Delightfully ripe and instantly appealing on the nose with raspberry, red apple and citrus peel notes, it's juicy and lively on the palate delivering elegant weight and fine focus. Light and crisp-dry with a lengthy tasty finish. Drink: now to 2025"

*Sam Kim, Wine Orbit*

### 2022 'Dawn Patrol' Pinot Noir - 94 Points

"This is seductively composed and enticing, showing dark berry, thyme, smoked game, earthy mushroom and roasted nut aromas on the nose. The sensually pleasing palate delivers fine flow and complex flavours, finishing wonderfully long and satisfying. At its best: now to 2030"

*Sam Kim, Wine Orbit*

## CALIFORNIA, USA / EST. 2006

	\$ LUC	PACK	NOTES
● 2018 Cannonball Cabernet Sauvignon	26.88	12 pk	<i>California, 2019 due soon</i>
● 2017 Cannonball 'Eleven' Cabernet Sauvignon	62.35	6 pk	<i>Sonoma County</i>
● 2018 'Proprietary' Red (Zin, Syrah, Malbec, Petite Sirah, Carignan, Merlot)	39.67	12 pk	<i>95pts + Gold, Sommeliers Choice Awards</i>

Cannonball was founded in 2006 by a dynamic team of wine industry veterans determined to rock the wine world. The Cannonball is the perfect symbol of freedom. Legs tucked beneath you soaring through the air – that uninhibited spirit is the soul of Cannonball wines. The Angels & Cowboy's 'Proprietary' Red is a handcrafted blend sourced from Sonoma County's most prestigious growers, taking inspiration from French classic reds and infusing them with the bold Californian style.

[www.drinkcannonball.com](http://www.drinkcannonball.com)

Head winemaker Ondine Chattan has been at the helm of Cannonball for seven years. She is a passionate Sonoma County winemaker with experience ranging from cult boutique producers to notable household name brands. Her love of the diversity of Sonoma and California at large fuels her enthusiasm for making a range of varietals from Sauvignon Blanc to Cabernet. Ondine takes a hands-on, multidisciplinary approach to winemaking – a credit to her years spent earning a Master's of Science in Enology from Fresno State and a Bachelor of Science from Cal Poly San Luis Obispo.

• Head winemaker Ondine Chattan & Founder Yoav Gilat

• Californian Vineyards

### 2018 'Proprietary' Red - 91 pts

"A fun blend with lots of character, delivering ripe fruit, but at the same time some cedar, bark, tea and vanilla undertones. It's full bodied, but relatively balanced and polished"

*James Suckling*

### 2018 Cannonball Cabernet Sauvignon

"This concentrated, firmly tannic wine packs plenty of black cherry and blackberry flavors in a rich, gripping texture. A full body and deep black-fruit flavors will make it pair well with big proteins."

*Jim Gordon, The Wine Enthusiast*

Teaming up in 2007, Chris Darling (right) and Bart Arnst (left) decided, after making great wine for other people it was time to make it for themselves. They source grapes solely from their own organic vineyards in Marlborough and have full control over the process. Bart, Gourmet Traveller 2022 Viticulturalist of the Year, began experimenting with Organics in 1996. He has led ground-breaking research into organic cover crops and is a founding member of Organic Winegrowers of New Zealand (OWNZ) and has been instrumental in spreading the organic message.

Little Darling is the sister range to The Darling Wines and has the same pedigree. These Bio-Gro Certified Organic wines are blended to be fresh and vibrant and are suitable on any occasion. The Sauvignon Blanc shows tropical fruit, passionfruit and lime with great length of flavour on the palate. Vigneron Chris Darling, originally from Australia, has travelled the world making wine in New Zealand, France, Greece, Czech Republic & his homeland, before moving permanently to Marlborough in 2003. His vision, to create great cool climate organic wines.

• Organic cover crops grown to encourage beneficial insects in the vineyard.

## DOMAINE-THOMSON

Domaine Thomson began in 2000 when David and PM Hall-Jones purchased their block in Central Otago, naming it after David's great great grandfather "Surveyor Thomson" who explored and mapped Central Otago in the 1850's. The pair immediately began to plant the first vineyards with a mixture of Davis and Dijon Pinot Noir clones inspired by their mutual love for Burgundy. Under guidance from their fantastic vineyard manager Simon Gourley, they converted to organics and biodynamics and have been fully certified with Bio-Gro since 2014.

## CROMWELL, CENTRAL OTAGO, NZ / EST. 2000

• Vineyards sit beneath the spectacular Pisa Ranges

• Domaine Thomson architecturally designed cellar door

At 45° South, the spectacular site has been planted into 4 blocks each with their own characteristics. The plantings are on elevated north-east facing terraces in deep gravel with some loess and clay. The frost free, warm mesoclimate and free draining soils are ideal for growing Pinot Noir with excellent concentration and intensity of flavours.

### 2021 'Left Bank' Clutha Chardonnay - 94 points

"Perfectly poised chardonnay with vanilla, peach, hazelnut, and spicy oak flavours. Appealing purity and restrained power with a suggestion of oyster shell mineral character."

*Bob Campbell MW, The Real Review*

### 2017 'Surveyor Thomson' Pinot Noir - 95 points

"It's delightfully fruited and elegantly complex on the nose showing dark cherry, dried herb, cured meat and roasted nut aromas, followed by a beautifully rounded palate offering sweet berry flavours together with rich spicy/savoury nuances, finishing long and stylish"

*Wine Orbit*

### 2018 'Rows 76-89' Pinot Noir - 93 points

"Entirely clone 10/5. Delicately perfumed pinot noir with floral, cherry, berry, dried herb and spice flavours. Elegant, youthful wine with a backbone of peppery tannins. An age-worthy wine with character."

	\$ LUC	PACK	NOTES
● Luis XIV Vermut	23.65	6 pk	<i>94pts - 2nd Highest Score Peñin Guide of Vermouths</i>

• Owners Ferrero Valdes and David Carbonell with the 25 year old Vermut

Fondillon Luis XIV is made by Colección de Toneles Centenarios. a newly created winery with rich history. It was founded when twenty-five 60 year old casks were found at the long closed Ferrero family winery, located in the town of Cañada (Alto Vinalopó), Alicante. The family still has 25 hectares of vineyards, from which they have resumed producing wines destined to be Fondillón from 2017. This wine is made by combining 70% of young vermouth, with 30% of Monastrell "rancio" wine that was aged for 8 years. The resulting wine was aged in Centenary old American Oak barrels. (45g/l residual sugar)

## RIOJA, SPAIN / EST. 2001

	\$ LUC	PACK	NOTES
● 2018 Crianza DOCa Tempranillo	13.44	6 pk	92pts, James Suckling, 2019 Due soon

• Sunny vineyards in Rioja Alavesa

Beloki is the utmost expression of a modern Rioja. Respecting ancient traditions, it has a freshness that consumers that enjoy both the old and the new combined in a glass of wine.

This 100% Tempranillo is sourced from high altitude vineyards in Rioja Alavesa and aged for 12 months in French and American oak barrels. It has intense aromas of ripe fruits with notes of tobacco, red berries combined with vanilla and spices. With a ripe fruit background, smooth tannins and great palate weight.

SCAN TO GO TO: [www.santewines.com.au/brands/beloki/](http://www.santewines.com.au/brands/beloki/)

I'm Your Organic is an exciting new project from Hammeken Cellars. There is an increasing need to produce products that respect both our health and the health of the planet. The range of wines are made from quality organic grapes and are vegan friendly. Furthermore, through the Plant-a-Tree initiative, the product goes beyond being carbon neutral and actually captures more carbon than it produces by planting a tree for every box of wine sold. The trees are planted in collaboration with Trees for the Future, a nonprofit organisation that is replanting in deforested areas in Africa.

v ● NV Red – Tempranillo	22.90	4 pk	3000ml Cask

Planting a tree for each cask sold eliminates 50 times more carbon than what is created in producing the cask. So far, over 250,000 trees have been planted, helping to regrow vibrant economies, create food security and a healthier planet.

The organically grown grapes are sourced from Central Spain. The Continental climate with altitudes of 600–800m above sea level and mature vineyards produce excellent quality wines.

The **White**, made from Viura and Sauvignon Blanc, is unoaked, showing aromas of lime and white flower, the palate shows citrus and white fruit with zesty acidity.

The **Rosé** is made from Bobal, a native Spanish red variety. It shows aromas of strawberry and rose petals, the palate is balanced with nice minerality and freshness.

The **Red** is 100% Tempranillo, with a small portion aged in oak. The nose shows sweet plum, cherry and cacao, flavours of berry fruit and a long soft finish.

## RIOJA & RIBERA DEL DUERO / EST. 1999

Founder Javier Palacios was born and raised amongst the vineyards in Rioja. A trip to Burgundy inspired a search for gifted terroir to make unrepeatably distinct wines of origin. Palacios Vinos de Finca unites his estates Proelio from Rioja and Trus from Ribera de Duero. Javier and his team work in collaboration with industry veterans Pedro Parra and Alberto Antonini, who help them create unique and authentic wines showing regional typicity.

[www.palaciosvinosdefinca.com](http://www.palaciosvinosdefinca.com)

TRUS RANGE - DO RIBERA DEL DUERO			
● 2018 Crianza – Tempranillo	32.25	6 pk	

• Bodegas Proelio, Rioja

• Small batch, hands on winemaking with the team

**Proelio** is founded on the search for unspoiled areas worked the traditional way, with respect for the soil, which is the guiding principle of its wines. Proelio has found high-elevation cool-climate sites planted with old vines that are painstakingly tended to produce wines that are both unique and very much a reflection of this area in Rioja. Their work system is based on the characterisation and classification of the different vineyards according to the soil and the soil-plant relationship, with the viticulture tailored to the needs of each plot. In addition, the tireless search for small plots with special and distinct characteristics to produce unique wines is one of the strengths of Proelio. Genuine Rioja wines whose typicity is defined by nature and interpreted by humans.

**Trus** is an acronym for Tierra, Roble, Uva and Sol (Land, Oak, Grape and Sun), seeks to capture the essence of Tempranillo prioritising the expression of the territory. The team works extremely hard to identify and select the best micro-terroirs within its vineyards in order to produce unique, unparalleled wines. Altitude is one of the most important factors to balanced ripening of the grapes in a warm climate. The goal is to produce wines that are both refined and rounded, that also mirror the climatic year.

v ● 2009 Millesime Premier Cru Brut	94.60	6 pk	Giftboxed
v ● 2012 Millesime Premier Cru Brut	107.50	6 pk	Giftboxed

Forget-Brimont adopted a sustainable viticulture and minimal-intervention method 20 years ago. A non-interventionist winemaking approach has been adopted to allow full expression of the terroirs and varieties. Only the first press (la cuvée) is used and only the best of that pressing is kept, adhering to the commitment to quality and purity.

Blending with a high proportion (40% to 50%) of reserve wines of almost 10 different years in each cuvée, except Vintages, adds depth and complexity. The Champagnes then undergo a lengthy secondary fermentation 15m underground in traditional chalk cellars for between 30 months & 10 years. The wines don't contain additives, aren't fined and are matured on lees in thermoregulated tanks before bottling. After dosage they receive an additional 2 to 6 months bottle age before release.

• The vineyard mainly covers an area with Premier and Grand Crus villages in the heart of the Montagne de Reims.

### *NV Premier Cru Extra Brut - 91 points*

"The wine is dry, certainly, with tight acidity as well as citrus flavors. Everything is there and with some bottle aging, it will be a fine Champagne. Crisp green apples bring a fresh aftertaste."

*Roger Voss, The Wine Enthusiast*

● 2021 Villa Aix AOP Grenache Cinsault Syrah Rosé	17.74	12 pk	
● 2021 Mimi en Provence AOP 'Grand Réserve' Grenache Cinsault Syrah Rosé	22.58	12 pk	
● 2020 Villa Aix AOP Grenache Cinsault Syrah Rosé - 1.5L	36.55	3 pk	1.5L <i>Magnum</i>

The winery adheres to the highest standards of oenological methods to create their vision - a range of wines designed to bring together family and friends across generations and create long lasting memories of the good times.

**La Tonnelle** is made from fruit grown on the hillsides of Provence. Made from Grenache (60%), Syrah (25%) and Cinsault (15%) the nose is floral and muscat like. The palate shows red fruit, is well balanced with a medium dry finish.

**Villa Aix** is from the appellation Coteaux d'Aix-en-Provence in south western of the region. Grapes are grown in clay and limestone soils producing soft and fruity wines. This wine is a blend of Grenache (60%), Cinsault (35%) and Syrah (5%). The nose is elegant and floral with notes of white peach and stonefruit. The palate is round and supple with nice tension on the finish.

**MiMi en Provence** is a blend of premium Grenache, Cinsault and Syrah from the appellation Cotes de Provence. Showcasing the best of the best, the nose shows floral and powdery notes with yellow fruit. The palate is elegant with tangy acid balance and a long finish.

## BERGHEIM, ALSACE, FRANCE / EST. 1836

Established in 1836, Gustave Lorentz is now one of the major family-owned fine wine producers in Alsace. Today, sixth generation family member Georges Lorentz holds the reins of the family business as current custodian. In the future, Georges can count on his three daughters to pursue the family tradition.

Gustave Lorentz have a commitment to sustainability, respect for the soils and terroir and drive to protect the environment and eco system. With these values in mind Georges Lorentz began the transition to organic viticulture in the early 2000s. Their estate owned vineyards became fully certified as organic in 2012. To support the company's age-old savoir-faire, Georges has recently undertaken an extensive update of the cellar and press rooms. These are now fitted with modern technology and sophisticated infrastructure complementing the original winery components including 25 tuns (~1000L oak barrels) of around 100 year of age that the family maintain with pride. The new tools enable them to work with each variety, vintage, style and appellation with the utmost precision and respect.

Arnaud is hands on all along the way, selecting the origin of the grapes, overseeing the winemaking process, choosing the type of barrels and ageing time for each individual wine. In 2017, Arnaud & Laure took the first step towards having their own estate produced wines acquiring a small vineyard in Côte de Beaune. 2022 saw the completion of their stunning new winemaking facility on the same site. They recently purchased a second vineyard in Meursault. Their philosophy is to respect and promote the complexity of the Burgundy wine region, producing terroir driven wines.

• Arnaud Baillot in the Côte de Beaune vineyard.

• Vineyards with a view in Bourgogne.

**Pernand-Vergelesses** – sitting at the northern end of the Côte de Beaune and is one of the most picturesque villages in Burgundy. Pleasant aromas of honey and honeysuckle evolve into exotic notes. A wine of character, energy and mineral notes. An intense, fruity and fresh aftertaste.

**Meursault** – sitting directly north of Montrachet and producing mostly Chardonnay. The wines show almond, hazelnut, floral and mineral notes. Butter, honey and citrus, rich and fat on the palate they benefit from aging. The best soils of Jurassic marls and marly limestones are found at 260m

**Beaune** – The southern end of the Côte d’Or, named after the historical town and wine centre of Beaune. Predominantly producing Pinot Noir, the wines are known for being a good ‘middle-ground’ between the rich, masculine style of Pommard to the south and the highly structured wines of Corton to the north.

**Chambolle-Musigny** – is a beautiful small commune in central Côte de Nuits renowned for making powerful, feminine, refined and very aromatic Pinot Noirs. The vineyards lie on three sides of the village, on the slopes next to and starting at an altitude of 300m. The best vineyards are on the fine, well-drained soils of the mid-slope. The climate in Chambolle-Musigny, as throughout the wider Côte d’Or, is continental. Diurnal temperature variation helps to establish balanced acids and sugars in the wines.

**Pommard** – Situated between Volnay to the South and Beaune to the North. Pommard is on a slope, between – 240 and 380 metres, facing east and south-east. The clay-rich calcareous soil gives Pommard some quite unique qualities – a lot of colour (deep red black), and an intense bouquet of blackcurrants, musk and game meat.

## BURGUNDY, FRANCE / EST. 2014

**Volnay** – Nestled between Pommard and Meursault in Côte de Beaune, Volnay is renowned for producing long lived, smooth, perfumed, delicate Pinot Noir with a supple structure quite contrasting to its more powerful neighbours. The best vineyards are located in a tight band across the mid slope where the vines benefit from well drained, limestone soils and a southeastern aspect.

**Gevrey-Chambertin** – The most northern of the great communes of the Côte de Nuits. There are 26 Premiers Crus and 8 Grands Crus. Arnaud Baillot Gevrey-Chambertin wines are produced from vineyards lying on the extension of the slope on which the Grands and Premiers Crus are situated.

**Vosne-Romanée** – Just a few acres contains a concentrated number of some of the most famous Grands Crus in the world, including La Romanée, Romanée-Saint-Vivant and Richebourg – just next to these is the Premier Cru parcel ‘Les Suchots’. This Pinot Noir from Vosne-Romanée is a symbol of absolute elegance and charm; soft, fleshy and long.

**Echézeaux** – is a Grand Cru vineyard on the slopes above the village of Flagey-Echézeaux, just north of the famous vineyards of Vosne-Romanée. The upper-mid slopes are generally recognised as being the climat’s best patches because of the stonier, thinner soils and good drainage. Made exclusively from Pinot Noir, the wines are on the full-bodied end of the Burgundy spectrum, showing red fruit as well as spice and undergrowth characters.

## CHABLIS, BURGUNDY, FRANCE / EST. 1809

**Chablis AC** – Named after the historic wine producing town that lies in the centre, Chablis is light and dry, famous for its crisp acidity and minerality. The Gautheron Chablis is made from 15–55 years old vines grown on north and northeasterly slopes. Floral notes, stonefruit, fresh butter, balance of liveliness, maturity, elegance and richness.

The **Premier Crus** are mostly located on the banks of the river Serein. They vary considerably in exposure, gradient and, soil composition & depth, however like the Grand Crus are, at least to some degree, south facing. The wines are rarely oak aged, giving them their characteristic pure, crisp minerality.

**Les Fourneaux** – ‘The Furnace’ is located near the village of Fleys to the east of the appellation. As with many of the Premier Crus, the vineyards are distinguished by their Kimmeridgian soils, ancient marine fossils, rocky and porous with a high limestone content. The wine is made from vines 20–40 years old grown on south and southwesterly aspects. Full-bodied and mellow yet elegant.

**Vaillons** – Meaning ‘little valley’ is one of the largest Premier Cru vineyards in Chablis. Located on the western side of the Serein, it has a southeasterly aspect and high quality Kimmeridgian sub-soils. Wines from here tend to be more delicate and floral than wines from the other side of the river, while still retaining Chablis’ characteristic intense minerality.

**Montmains** – Sitting to the southwest of Chablis, Montmains runs parallel to Vaillons to the north. The slopes face slightly more southeast giving exposure to the cool winds from the Serein with good exposure to morning sun. Wines from here are fresher, mineral and more elegant than wines from Crus on steeper slopes to the south.

**Mont de Milieu** – Located on the eastern banks of the Serein, the dry, limestone soils and southerly aspect make this one of the best Premier Crus. Less stony than other Crus, the soil is low in fertility producing small, concentrated grapes rich in flavour. Made from 35 year old vines, the wine is rich, long lasting, elegant and complex.

**Montée de Tonnerre** – One of the most spectacular of the Premier Crus containing lots of fossilised outcrops. The Kimmeridgian soils slopes are south, southwest facing, on the eastern side of the river Serein. The Cru is famous for a subtle mix of finesse and intensity. The Gautheron wine is grown from 20–40 year old vines, pure and intense with a saline mineral edge.

The **Grand Crus** all lie in a single block on the eastern bank of the river Serein, looking south and west over Chablis. They represent less than 3% of the total vineyard area and demonstrate clearly the importance of southern facing slopes, tasting richer with highly charged flavour and a mineral edge which, with age, leads to noble complexity.

**Grand Cru Les Preuses** – Lies at the northern end of the Grand Cru slope, on a sunny west to southwest facing slope. The Kimmeridgian sub soils contribute high levels of limestone and clay. The southwest slope and warm afternoon sun means Preuses are rich and elegant and tend to be softer and rounder than other Grand Cru wines.

**Grand Cru Valmur** – The Valmur terroir is split into two parts on each side of the Sainte-Vaubourg fountain path. Its clay limestone soils are deeper than the other Grand Crus. The slopes have a southerly exposure with chalky screes overlying fossilized oyster ‘Exogyra Virgula’ Kimmeridgian soil. Made from 55+ year old vines, an intense, concentrated and balanced mix of mineral and smoky flavours.

• Grand Cru Chablis is fermented in French oak foudre

• The vineyards of Chablis at sunrise.

## CHABLIS, BURGUNDY, FRANCE / EST. 1809

Domaine Gautheron is located in the tiny village of Fley, surrounded by Chablis' eastern hills in Northern Burgundy. It covers 28 hectares on some of Chablis' best terroirs. The estate, created in 1809, is family owned and operated and has been for more than seven generations. Today Cyril, supported by father Alain and wife Agnes, is making some of the appellation's finest wines. Gautheron focuses on expression of terroir to make graceful wines which respect the crisp and traditional characteristics of Chablis.

Cyril's wines can be drunk in their youth or after aging. He likes to balance exotic flavors with crispness. They are the opposite of an austere Chablis, yet they age incredibly well. The wines are always on the fresh side, with ripe acidity, and that classic Chablis minerality.

• Cyril Gautheron in the vineyard

The appellation of Chablis is nestled in the Northern part of Burgundy between Paris and Dijon. The best sites have limestone soils overlaid with a layer of Kimmeridgian clay, rich in marine fossils. The soils have an important effect on the wines, made from 100% Chardonnay. It has a semi-continental climate, characterised by hot summers and cold, harsh winters. The wines are characterised by purity of fruit and lean, steely acidity. Chablis is divided into four categories in order of ascension in quality: Petit Chablis, Chablis, Chablis Premier Cru and Chablis Grand Cru.

The 2020 vintage was an early vintage with a hot Spring, however overall it was not particularly warm and managed to avoid the heatwaves of the previous two vintages. Although yields were low, 2020 has a lot of similarities with 2017, a "classic year", with warmer temperature, showing great terroir focus with lots of freshness and minerality across the Crus.

Domaine Dubreuil-Fontaine was founded in 1879 by Pierre Arbinet. Fifth generation Christine Dubreuil joined the family estate in 1991 and has been at the helm since 2011. In recent years she has been joined by her daughter Clementine. Located in the Côte de Beaune, Domaine Dubreuil-Fontaine uses the noble grape varieties of Chardonnay and Pinot Noir to make up its wide range of 22 appellations: from the fruity Bourgogne, to the rare Grand Cru. Its vineyards cover the villages of: Pernand-Vergelesses, Aloxe-Corton and Savigny Les Beaune, Pommard, Beaune and Volnay.

## BURGUNDY, FRANCE / EST. 1879

	\$ LUC	PACK	NOTES
● 2021 Bourgogne AC 'Les Crenilles' Chardonnay	36.55	12 pk	
● 2021 Bourgogne AC 'Notre Dame de Bonne Esperance' Pinot Noir	36.55	12 pk	

• Clementine & Christine Gruere-Dubreuil

• Vines mid-winter near the village of Pernand-Vergelesses

### 2021 Bourgogne 'Notre Dame de Bonne Esperance'

This Pinot Noir is from four plots located on Savigny-les-Beaune, Ladoix-Serrigny, and Pommard. Including the climat "La Chappelle Notre-Dame". The soil is clay and limestone and average age of 30 years. The grapes are hand harvested and manually sorted. They are then 100% destemmed, traditional vinification in thermoregulated stainless steel vats. The wine is matured for 10-12 months in a combination of older oak barrels and stainless steel. A pleasant bouquet of crushed blackberries and raspberries. The palate is medium-bodied with light, spicy opening, a good density and a solid blackberry, strawberry finish.

"Aromas of red fruit and some stoniness in evidence too. Broad, sweeping, vibrant – the structure present but never loud – really floral extras in this still structural finish – a wine to give 1-2 years of patience but it is very long for its level and will come around beautifully"

*Bill Nanson, 2021 Burgundy Report*

### 2021 Bourgogne Chardonnay 'Les Crenilles'

This Chardonnay is from a plot located in the flat part of Pommard with an average vine age of 30 years. The grapes are hand picked and sorted. 25% is fermented in oak barrels, the remainder in stainless steel it is then aged for a further 10-12 months. This Chardonnay has an easygoing bouquet with hints of pear and apple blossom. Quite round in the mouth, the finale reveals tropical flavors.

It's hard to imagine life in Australia without Prosecco, but it wasn't long ago that our sparkling wine options were limited. Until recently people generally didn't know one type of sparkling wine from another. When Prosecco began to land on our shores, it only took a few short years before Prosecco was, quite literally, on everyone's lips. The biggest shift that Prosecco brought with it was that fine sparkling wine doesn't have to be expensive.

The overarching high quality of Prosecco built great confidence among consumers who might otherwise have been intimidated by sparkling wine. Gone are the days of Italian wines being almost exclusively served in Italian restaurants with Italian food. Because of its great versatility at the dinner table, people now realise what a great match Prosecco also is with Asian, Mexican and Modern Australian cuisine, just to name a few.

• The La Rivetta vineyard on the slopes of Valdobbiadene.

New to the range, 'La Rivetta 120' Extra Brut is 100% estate grown fruit from one of Villa Sandi's best vineyards located on the sunny slopes of the Valdobbiadene hills. The grapes are gently whole pressed and cool fermented before being aged in tank on lees for 120 days after the secondary ferment. Most Prosecco is only aged on lees for a very short time. The extended time on lees and dry extra brut style give this Prosecco more nuance and depth. It has fresh aromas of gooseberry, grapefruit and yellow apple, rich complex flavours and refreshing acidity. The perfect aperitif!

● 2017 Barolo DOCG del Comune di Serralunga D'Alba Nebbiolo	64.50	6 pk	95pts, <i>The Real Review</i>

Pico Maccario own the largest single vineyard in Monferrato, a 70 hectare estate planted by grandfather Carlo. Planted to Barbera, Cortese, Moscato d'Asti, the clay based, medium textured soils allow for balanced, modern wines. Ageing in stainless steel and bottle allows them to show distinct expression of the varietal characters of the grapes and terroir. In Langhe, they have 12 ha of vineyards in the comune of Neive, Serralunga and Barolo including the prestigious Rionda and the Cannubi single vineyard which is recognized as the oldest in Italy dating back to 1752.

• Pico Maccario barrel hall, located in Monferrato, Italy

The terroirs in Langhe are very old dating back to the geological epoch of Miocene (between 5–23 million years ago). Featuring compact soils and fine texture, they add elegance and a unique evolution to the wines over time. Both of the Barolo's and Barbaresco are made in a traditional way with the influence of modern winemaking principles.

### 2021 Barbera d'Asti DOCG 'Lavignone' - 92 points

"A warm vintage in Piemonte that give birth to a silky, succulent red, with pure blackberry and black cherry fruit shaded by a graphite note. On the elegant side, delivering terrific harmony and finesse, with excellent structure and length."

*The Wine Spectator*

### 2017 Barolo DOCG - 93 points

"The bouquet is reserved and shy but attractively savoury with fresh-turned earth and undergrowth nuances, a touch of rose petal and pot-pourri.. The palate is intense, rich and soft, velvety and gentle, medium to full-bodied—not an especially big wine—but the flavours are very detailed and lovely in a classic Piedmontese nebbiolo style."

*Huan Hooke, The Real Review*

**SCAN TO GO TO:**

[www.santewines.com.au/brands/pico-maccario/](http://www.santewines.com.au/brands/pico-maccario/)

Starting in the early 1980s, Ugo Lequio released his first bottles of wine following rigorous fruit selection from the six hectare Cascina Nuova vineyard. This historic property is located on the sun-drenched Gallina Hill that was once part of the Neive Conti Riccardi Candiani patrimony and now belongs to the Marcarino family. The Gallina Hill is one of the most interesting terroirs in Piedmont with the soil and micro-climate both extraordinary for cultivation of the vine, in particular Nebbiolo and Barbera, with vine plantings dating back to the 1950's, 60's and 70's.

Old vines, south facing slopes and extremely low yields coupled with traditional wine making techniques produce elegant wines fit for aging. Ugo's personal conviction is that class and elegance are tangible in a great wine only if that wine is given sufficient time, in a stress-free atmosphere, to evolve. For this reason, Ugo insists on giving his wines a long and deserved rest before they are released.

Thanks to experience and experimentation in both the vineyard and the winery, Ugo has emerged as one of the protagonists of the revolutionary shift that prizes quality wine over quantity.

• Ugo Lequio Owner and Winemaker

*2017 Barbaresco Gallina - 94 points*

"Mixed berries, dried flowers, new leather and liquorice tea. Medium-bodied, juicy and fragrant, a dried flower and tea perfume, exotic spice, rosehip and raspberry, fine mineral feel to it, and quite stony/earthy too, maybe a touch of warmth, but the fragrance and charm is laid on thick."

*The Wine Front*

When Alex Maccan fulfilled his lifelong dream and purchased Vigneti Le Monde in 2008, he had only one objective in mind – to breathe new life into it. The winery needed modern management driven by passion and clear vision along with considerable investment upgrading the facilities and revitalising the vineyards. Having recognised the Estates enormous potential, Alex and his team have rejuvenated Vigneti Le Monde with energy and enthusiasm.

## FRIULI GRAVE, ITALY / EST. 2008

Vigneti has 100ha of vineyards, up to 40 years of age, planted on its own 'Cru'. A unique rich combination of clay and limestone, which differ from the gravelly soils associated with the surrounding areas. In Friuli strict wine production techniques are still rooted in the local culture. This is invaluable for anyone who wants to produce high quality wines whilst respecting and getting the best from nature. The winery uses state-of-the-art technology that respects man and nature to consistently offer wines that are seductively simple and elegant.

• The impressive cellar at Le Monde

Winemaker, Giovanni Ruzzene, says: “.. a great wine comes from the ground – not the lab! “My aim is to produce easy drinking, interesting wines, surprising and perhaps a little bit quirky in their Friulian simplicity.” The hard work and simple winemaking philosophy have paid off with the Pinot Bianco and Cabernet Franc being awarded 'Tre Bicchieri', one of Italy's most respected wine awards, an amazing ten years running.

Situated in the heart of Tuscany, Poggiotondo began in 1968 when passionate agriculturalist Carlo Antonini, bought a property historically owned by ancient noble family Conti Guidi. His passion was passed on to his son Alberto, who together with wife Alessandra, now runs the family winery. Certified organic since 2014, the Antonini family aim to valorize the territory in respect of the Tuscan wine growing tradition. The families vineyards are located in the picturesque hills East of Florence, some 40km from the Ligurian Sea.

Poggiotondo is immersed in an ancient farming landscape with lots of biodiversity: vineyards, olive trees, figs tree, old fruit plants, very ancient oak trees, cypress, bushes of raspberries and blackberries and gorse for an exceptional natural beauty. The focus in the vineyards is on native grape varieties; Sangiovese, Canaiolo, Colorino and Trebbiano, as per the original "Chianti Recipe".

Situated in the heart of Tuscany, between Florence and Pisa, Poggiotondo's wines are a pure expression of the Chianti region. Alberto and Alessandra Antonini, following the principles of organic agricultures, grow their vineyards in a natural and balanced environment. The goal is making wines with a strong sense of place, wines that become a symbol of a respected and given territory.

The climate in Tuscany is Mediterranean with warm dry summers and mild, wet winters. The 28ha vineyard sit at an altitude of 100m on soils of marine origin varying from sandy clay to limestone with marine fossils. It is this limestone that gives the wines their defining energy, vitality and tension.

• Alberto Antonini owner and wine grower at Poggiotondo  
Travelling extensively as a wine consultant, Alberto has reverted to traditional techniques on home soil. He ferments in concrete tanks to encourage better microbial activity and only uses old oak casks which, like vines, get better with age. Wines are fermented with wild yeast that occur naturally in the vineyard. This farming method encourages the vines to develop their own antibodies, giving us healthier vines, better fruit quality, more character and longevity of the vineyards. Alberto champions wines with "energy, purity, vitality and minerality" and believes native varieties coupled with organic practices and sympathetic winemaking provide the right ingredients.

Emiliano sees tending a vineyard and making wine as an act of love and passion. He started his personal project, 'Societia' Agricola Emiliano Falsini' to focus on his two favourite varieties, Nerello Mascalese and Cabernet Franc. The locations chosen for this labour of love; Etna in Sicily and Bolgheri in Tuscany, differ in terms of their soil, climatic conditions and winemaking history but share a very similar potential for quality and a capacity to produce great wines with strong personalities that can inspire unique emotions.

2019 saw him purchase a vineyard on Etna in Contrada Fuedo Pignatone with vines ranging in age from 30 to 100 years and in Bolgheri, in the Sondraie area to the north of the appellation.

Emiliano's aim is to make wines with a strong sense of terroir, pure expression of the area and varieties without compromise. He makes very small quantities to extremely high standards of quality. He is contributing to the growth of both Etna and Bolgheri wines through modern interpretations based on elegance, quality and gustatory balance.

Mastroberardino is one of the leading wine families in Italy in terms of production, market impact and innovation. With winemaking history dating back to the mid 1700's, they are largely responsible for the revival of Irpinian and Campanian winemaking after WW2 and the resurgence of would-be extinct native varieties Fiano, Greco di Tufo & Aglianico. Campania is a DOC located in southwest Italy taking in the gulf of Naples and Amalfi Coast. The climate in Campania is Mediterranean towards the coast and continental inland. Abundant sunshine and volcanic soils in the hills make it ideal for viticulture.

v ● 2020 Redimore Irpinia Aglianico DOC	30.96	6 pk	
v ● 2018 Radici Taurasi DOCG	67.08	6 pk	<i>Aglianico</i>

The late ripening Aglianico, arguably the most exceptional variety grown in Irpinia, produces a rustic, earth driven, full bodied red with distinctive savory flavours of leather, white pepper, black fruits and cured meats. It has high tannins, high acidity and an aging potential of 20+ years. The most famous Aglianico is from Taurasi DOCG, grown in the volcanic hills of Avellino directly inland from Naples. Mastroberardino is undeniably the standout Aglianico producer making some of Italy's longest lived wines.

Radici Taurasi is obtained by the union of precious selections of Aglianico grapes from the estates of Montemarano and Mirabella Eclano, the symbol product of classical viticulture signed Mastroberardino. Montemarano, with its 16 hectares, is a historic site in the production of Taurasi, located in the further south and higher area of the DOCG, from 500 to 650 metres above sea level.

• The vines of Aglianico in the estate of Mirabella Eclano

Here the marked temperature ranges and the slower trend of maturation set the conditions for a late harvest, usually in November, resulting in grapes richer in noble tannins and acidity, able to enhance the longevity characters. Mirabella Eclano, with more than 65 hectares and with an altitude ranging from 350 to 450 meters ASL, is the core of production, research and experimentation on Aglianico, which is the main grape variety grown in this estate.
